Soul Survivor Philip Yancey, 2002-01-29 One of America's leading Christian thinkers interweaves the story of his own struggle to reclaim his beliefs with inspiring portraits of people who have succeeded in the pursuit of an authentic faith In Soul Survivor Philip Yancey charts his spiritual pilgrimage through the influence of key individuals These are the people who ushered me into the Kingdom In many ways they are why I remain a Christian today and I want to introduce them to other spiritual seekers Yancey interweaves his own journey with fascinating stories of those who modeled for him a life enhancing rather than a life constricting faith Dr Paul Brand G K Chesterton Annie Dillard Frederick Buechner C Everett Koop Leo Tolstoy Fyodor Dostoevsky Henri Nouwen John Donne Mahatma Gandhi Shusaku Endo Martin Luther King Jr Robert Coles Readers will find these inspiring portraits both nurture and challenge for their own understanding of authentic faith Yancey fans will devour these new glimpses of how he has held onto faith while acknowledging with utter honesty its inherent difficulties New Yancey readers will be drawn in by the theme of faith versus religion and drawn along a compelling narrative of signposts on a spiritual journey Soul Survivor offers illuminating and critically important insights into true Christianity which will enrich the lives of veteran believers and cautious seekers alike *Don't Forget We're Here Forever* Lamorna Ash, 2025-05-08 A Pilgrim's Progress for our time A captivating narrative of discovery Telegraph One of those books I find myself being excuse the pun evangelical about pressing it into friends hands like a Gideon's Bible Sunday Times The stakes are so real and so recognisable The most honest and moving account of the wrestle of faith that I have read since Christian Wiman's *My Bright Abyss* Church Times Why are young people in Britain today turning to faith in our age of uncertainty Lamorna Ash was raised with about as much Christianity as most people in Britain these days a basic knowledge of hymns and prayers received via a Church of England primary school education occasional brushes with religious services But once she started writing about her two friends unexpected conversions she began encountering a recurring phenomenon in an age of disconnection and apathy a new generation was discovering religion for itself In *Don't Forget We're Here Forever* Ash embarks on a journey across Britain to meet those wrestling with Christianity today Through interviews and her own deeply personal journey with religion and from Evangelical youth festivals to Quaker meetings a silent Jesuit retreat along the Welsh coastline to a monastic community in the Inner Hebrides she investigates what is driving Gen Z today to embrace Christianity Written with lyrical beauty and sensitivity this is a reminder of our universal need for nourishment of the soul A 2025 HIGHLIGHT FOR Telegraph Financial Times New Statesman Irish Times Elle and GQ A book of rare quality Ash is a writer of exceptional grace and energy Rowan Williams former Archbishop of Canterbury Spellbinding An incredible exploration of how young people are navigating the complex world we find ourselves in today Katy Hessel author of *The Story of Art* without Men The Soul Survivor Jim Roppa, 2020-07-03 The mysterious millionaire and highly successful corporate executive Mathew Anthony alias The Mailman is back in action Mathew and his identical twin brother Thomas have survived

Shout to the Lord Ari Y. Kelman, 2018-06-19 How music makes worship and how worship makes music in Evangelical churches Music is a nearly universal feature of congregational worship in American churches Congregational singing is so

ingrained in the experience of being at church that it is often misunderstood to be synonymous with worship For those who assume responsibility for making music for congregational use the relationship between music and worship is both promising and perilous promise in the power of musical style and collective singing to facilitate worship peril in the possibility that the experience of the music might eclipse the worship it was written to facilitate As a result those committed to making music for worship are constantly reminded of the paradox that they are writing songs for people who wish to express themselves as directly as possible to God This book shines a new light on how people who make music for worship also make worship from music Based on interviews with more than 75 songwriters worship leaders and music industry executives *Shout to the Lord* maps the social dimensions of sacred practice illuminating how the producers of worship music understand the role of songs as both vehicles for and practices of faith and identity This book accounts for the human qualities of religious experience and the practice of worship and it makes a compelling case for how sometimes faith comes by hearing *Forthcoming Books*
