Soul Trap Janet M. Woods, 2016-12-27 *Soul Trap* by Janet M Woods Following an almost fatal car crash George a sixty nine year old psychiatrist is convalescing at his son s home in the English countryside Being very much a city boy at heart George is dreading the boredom he foresees as inevitable in such rural surroundings In the event boredom turns out to be the least of his worries Initially he fears that the strange happenings manifesting around him may be the result of his head injuries but finally has to concede that the weird and terrifying phenomena may actually have a supernatural origin As a life long sceptic and realist this is not a welcome conclusion But struggle against that acceptance as he may it becomes apparent that there is only one way to fight the Paranormal with Paranormal weapons on a Paranormal battleground With the lives and welfare of his family at stake and generations of souls trapped in the surrounding area unable to complete their after life journeys it is time to rally all the forces at his disposal The evil of the Soul Trap must be banished forever [Arcanum](#)
