Evaluating the Church Growth Movement Zondervan, 2010-06-01 What exactly is the Church Growth movement This timely volume in the Counterpoints series addresses the history of the movement that has become such an enormous shaping force on the Western church today and it explores in a roundtable forum of leading voices five main perspectives on the classic Church Growth movement Effective Evangelism View presented by Elmer Towns Gospel in Our Culture View presented by Craig Van Gelder Centrist View presented by Charles Van Engen Reformist View presented by Gailyn Van Rheen Renewal View presented by Howard Snyder Each view is first presented by its proponent then critiqued by the co contributors The interactive and fair minded format allows the reader to consider the strengths and weaknesses of each view and draw informed personal conclusions Evaluating the Church Growth Movement concludes with reflections by three seasoned pastors who have grappled with the practical implications of Church Growth The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair minded and respectful of the biblical text Each volume is a one stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion

Spiritual Blindness Mark Allison, 2015-03-24 The New Testament teaches three specific things how individual Christians in the church are to conduct themselves o Love one another as Christ loved us o How men and women treat each other outside of marriage o How husbands and wives treat each other inside of marriage These three basic human relationships serve as a witness to those outside the church as an evangelistic tool How we deal with each other has ramifications for how we conduct ourselves spiritually before a lost world We have failed in these three basic relationships We need someone to step unafraid from the background and face down criticism and perhaps ridicule even persecution from the self righteous who continue to lead the church away and resist the necessary course corrections in these final days Who will be willing to confront the issues head on in order for the world to know Christ Are you as part of His church ready for the second coming of our Lord Would you be willing to face discomfort and ridicule if you knew that God had called you to such a fate What discomfort are you willing to endure for the cause of Christ

The Spirit of Adoption Melanie Springer Mock, Martha Kalnin Dieder, Jeremiah Webster, 2014-10-14 The Spirit of Adoption explores many of the complexities inherent in adoption and its relationship to spirituality challenging us to move beyond the common mythologies about adoption to consider the more difficult questions adoption raises about the nature of God family culture loss and joy Rather than hearing from experts in adoption this collection uses the narratives of birth parents adoptive parents and adoptees themselves bearing witness to the ways adoption shapes its participants spiritual lives By allowing others to narrate their spiritual journeys through adoption we hope to proclaim that adoption can be a wonderful powerful hopeful experience and one that is

difficult painful despairing and that these paradoxes of adoption might be held together in God's hand

Understanding Religious Abuse and Recovery Patrick J. Knapp, 2021-04-21 Currently there are at least four major identifiable perspectives on how people best understand and recover from religious abuse Both secular and faith based Christian adherents can be variously identified in each of these approaches This book examines these viewpoints and evaluates their various strengths and limitations It concludes that each perspective is helpful to the extent possible given the limitations of its respective philosophic or theological assumptions This book summarizes each viewpoint and suggests a larger contextual perspective helpful to better understand involvement in and recovery from religiously abusive environments The conclusion is an integration of the various conceptual frameworks and a different model SECURE is described that includes essential principles and practical strategies necessary for recovery from religious abuse Suggestions are made for future research and study both for academics with interest in the cultic studies and counseling fields and for various people negatively affected by religious abuse and in need of recovery

The Biblical Gospel Reid Hensarling, 2012-06 This book explores the only sure solution to the ongoing problems of our world the biblical gospel of Jesus Christ A variety of viewpoints are presented from our religious political and economic spectrums but only the absolute truth of the gospel of Christ has the message that ultimately answers the most pressing questions and serious concerns of the human soul The book is concerned with encouraging and helping church leaders bring spiritual renewal to their people through the biblical gospel Chapter one explains what the gospel is and the importance of the Bible and shows how a limited number of biblical figures were used by the Lord to bring spiritual renewal to their people Chapter two describes the profound transformation that the proclamation of the gospel had upon sixteenth century England The pernicious dangers of our current postmodern culture are examined in chapter three along with the only effective solution the proclamation and reception of the biblical gospel Chapter four proposes a model for growth and transformation in Christ through the renewal of the clergy and laity The book concludes that mankind's only hope for eternal security and truth is found in the gospel of Jesus Christ as presented through the pages of the Bible The book illustrates that regardless of time place or nationality the gospel declaration alone has the power to change human beings from lives of sin and rebellion against God and one another to lives filled with love and devotion to Jesus Christ and others This book is designed to draw significant attention and interest to the churches obligation and critical calling by God to present the Holy Scriptures in a loving and truthful way to congregations that will bring lasting change to the body of Christ Only the gospel has the ability to renew and transform people from a life of sin and rebellion against God to a life of love devotion and service to Christ Lives start to change and people begin to think live and act more like Christ The promises and truths of the gospel bring to the believer eternal security lasting peace and unspeakable joy What an extraordinary additive to everyday living The faithful pastor is entrusted with God's Word to preach and teach absolute truth which upon reception by the people brings repentance forgiveness salvation and freedom Ministers who are obedient to the gospel bring tremendous blessing and hope to their flocks God's people are transformed and renewed and the kingdom of God is extended into a world desperately needing love and truth

Pastoral Identity Douglas D. Webster, 2023-07-18 Webster calls pastors to reject Christendom approaches to church leadership that require the pastor

to exert control over the church's direction and ministry. Such models differ fundamentally from the New Testament household of faith vision of pastoral ministry which affirms the disciple making responsibility of the whole community, the priesthood of all believers and the shared gifts of the Spirit. Rather than perpetuate pastoral leadership based on individual initiative, institutional power and personal charisma, experienced pastor and seminary professor Douglas Webster defines a New Testament model of the pastor outlining the major features of pastoring among the household of faith such as: Viewing the church as an every member ministry; Seeking synergism between pastoral identity and congregational identity; Prioritizing a pastor's daily rhythms of grace in prayer, study and care for the body; Supporting pastor theologians who shepherd believers in the whole counsel of God. Such pastoral authority and guidance require mutual submission in Christ. Pastors and laypeople alike let go of dominant cultural models of pastoring and embrace the values of Christ's kingdom.

Centre for Christian Living annual 2020 Chase R Kuhn, Akos Balogh, Megan Best, Karina Brabham, Caroline Clark, Jordan Cunningham, Sam Davidson, Mark Earney, Michael Figueira, Simon Gillham, Dan Gillis, Brooke Hazelgrove, Peter Jensen, Michael Kellahan, Jonathan Morris, Nigel Styles, Dani Treweek, Chris Thomson, Carl Trueman, David VanDrunen, 2021-03-03. Is freedom of religion a human right? Is life without sex both good and realistic? How can we face infertility together as a church family? The Christian gospel transforms every aspect of our lives. If we don't understand that we don't understand Christianity. The Centre for Christian Living, which operates out of Moore Theological College in Sydney, aims to bring biblical ethics to everyday issues, taking the theology and knowledge of God and showing how it shapes and directs every aspect of our daily lives. To that end, we have compiled this annual which collects some of the material from our activities during 2020: essays from our public events, highlights from our podcast and articles by members of our student team at Moore College. Our hope is that you will find this collection helpful and encouraging as you live out the Christian life.

Text Messaging Douglas D. Webster, 2009-12. Doug Webster's Text Messaging is one of the most compelling statements I have read on preaching the Gospel faithfully in a culture of change. Alive to the challenges every preacher faces in a world of evanescent meaning, Webster reminds us that the proclamation of the Word, what the world calls folly, is the wisdom of God. A book to be read and re-read by every pastor and every student of preaching. Timothy George, founding dean of Beeson Divinity School of Samford University and a senior editor of Christianity Today. Douglas D Webster, Ph.D., University of St Michael's College, mentors future pastors at Beeson Divinity School in Birmingham, Alabama. Before coming to Beeson, he served as pastor of First Presbyterian Church of San Diego for fourteen years. He and his wife Virginia have three grown children. His other books include *Soulcraft: How God Shapes Us Through Relationships* and *Under the Radar: A Conversation on Spiritual Leadership*. **The New Age of Soul** Ray S. Anderson, 2001-11-27. In *The New Age of Soul*, the broad appeal of new age spirituality is identified and defined with special attention to the claim that the soul may be understood as both the repository of divine energy and a source of spiritual healing and hope. Through dialogue with sources and perspectives on the

spiritual nature of the soul the book attempts to win the respect and appreciation of the reader already persuaded by the claims and benefits of new age spirituality while at the same time convincing the reader who has suspicions and concerns about new age spirituality that a better alternative may be found The book thus has a two fold purpose first to expose the inadequacy indeed the superficiality of new age spirituality through this dialogue and discussion attracting the attention and interest of the reader already influenced by this genre Second the author makes a case for a more traditional orthodox and biblical view of the soul and human spirituality so that the reader who is inclined toward new age spirituality will rediscover the more traditional biblical content of the soul and spirituality while providing the committed more traditional Christian reader a tool by which to communicate a biblical faith with the growing segment of our population attracted toward new age spirituality In its own way this book is an apologetic for a more traditional Christian theology of human spirituality and self identity presented in a positive dialogue with new age spirituality
