

A romantic scene on a beach at sunset. A couple is seen from behind, embracing on the sand. The sky is a warm orange and yellow. In the foreground, a large heart has been drawn in the sand, with the couple's shadows cast within it. The ocean waves are visible in the distance.

"At last, a breath of fresh air about soulmates!
Read this book and relax into your destiny."

Soulmates Following Inner Guidance To The Relationship Of Your Dreams:

Soulmates Carolyn Godschild Miller, 2000 Carolyn Miller takes an in depth look at a topic of perennial fascination Sharing her own quest and that of dozens of other couples for a meant to be relationship she uses true stories to illustrate what she means by inner guidance Contrary to popular belief soulmate couples do not usually recognize each other at first glance Miller shows how individuals who attract the ego are seldom the ones the soul deeply desires to be with and soulmates are often people who look all wrong at that crucial first meeting

Soulmates Carolyn Godschild Miller, 2010-09-07 In her lively and conversational style Carolyn Miller takes a high spirited unsentimental in depth look at what a soulmate is and how to connect with that special person Sharing her own quest and that of dozens of other couples for a meant to be relationship she uses true and extraordinary stories to illustrate what she means by inner guidance Contrary to popular belief soulmate couples do not usually recognize each other at first glance When Roma was but eight years old she risked her life daily by bringing food to Herman who was interred in a Nazi concentration camp They later met repeatedly while both lived in Israel but it was not until nine years later that they met in New York and recognized that they were soulmates Karen a beautiful and successful pop singer met Pat by handing him her card as she passed him in the street and asking him to call me They became fast friends but neither felt that they were right for each other It was only after they put aside their preconceived ideas of what their ideal partner would be like that they became soulmates Pedro and Elizabeth first met as they passed one another in a psychiatrist's office Their therapist felt that they had a past life connection but ethically could do nothing to bring them together They met again while waiting for a plane and discovered they were soulmates Each chapter ends with guidelines for actualizing a soulmate relationship which provide a practical aid to the reader who wishes to find his or her own relationship made in heaven
