Summa Theologiae: Volume 55, The Resurrection of the Lord C. Thomas Moore,2006-10-26 Paperback reissue of one volume of the English Dominicans Latin English edition of Thomas Aquinas Summa Theologiae A Resurrection to Immortality William West,2011 Life is the most important possession we have Without it there is nothing Only by the resurrection at the second coming of Christ will anyone have life after death After the resurrection the fate of those who are in Christ 1 Eternal life Romans 6 23 2 Shall inherit eternal life Matthew 19 29 3 After the judgment they shall go away into eternal life Matthew 25 46 4 Will have eternal life John 3 5 5 Christ will raise them up on the last day John 6 40 6 Will be immortal after the resurrection 1 Corinthians 15 51 56 7 Will have incorruption 1 Corinthians 15 42 8 Will have glory 1 Corinthians 15 43 9 Will be like Christ We shall be like him for we shall see him even as he is 1 John 3 2 10 Are heirs according to the hope of eternal life Titus 3 7 11 Will have a spiritual body 1 Corinthians 15 44 12 And as we have borne the image of the earthly The earthly flesh and blood body of Adam was made to live on this earth but it cannot inherit the kingdom of God 1 Corinthians 15 50 we shall also bear the image of the heavenly Shall be like the spiritual body of Christ for life in Heaven 1 Corinthians 15 47 56 13 Will never perish John 10 28 14 Forever with the Lord 1 Thessalonians 4 17 15 Many mansions in my father s house In my Father s house Who is in Heaven Matthew 5 16 5 45 5 48 6 1 6 9 7 21 10 32 33 are many mansions I go to prepare a place for you *Fixed and Mobile Souls: Resurrection Versus Reincarnation* Jack Tanner,2020-03-02 Which is right Resurrection or Reincarnation Religion and spirituality entirely depend on which one is real If reincarnation is true all religions based on resurrection are false and vice versa Resurrection and reincarnation have drastically different ontologies and epistemologies The ultimate answer to existence is dependent on whether souls reincarnate or experience resurrection Don t you want the knowledge that will dictate the fate of your soul Then come and get it The first stop is the incredible world of ancient Egyptian religion *Life in Christ* William Robert West,2015-09-29 What do you believe about souls There are many very different doctrines taught in the world today concerning souls that are believed to be in all humans By most a soul is believed to be something that is wholly apart from the person a soul is in that a soul is something that is that is believed to be complete in its self without the person it will live after the person it is in is dead it is believed that a soul will exist forever without the person it will never be dead therefore a soul cannot be resurrected from the dead It is believed that a soul must live someplace forever and it will live either in Heaven or Hell even if there is no resurrection The doctrine of unconditional immortality of a deathless soul being in a person and that soul leaving that person at the death of the person makes it impossible for Christ to have give His life to save that soul from death

if a soul had immortality it would already have life and could never not have life all Christ could do is give it a reward or punish it

**Hell's Destruction** Catherine Ella Laufer, 2016-04-22 The credal affirmation he descended to the dead has attracted a plethora of views over the centuries and many Christians today struggle to explain the meaning of these words This book explores various interpretations of the doctrine of Christ's descent to the dead both within particular historical contexts and within contemporary theology Laufer argues that the descensus clause Christ's descent is integral to Christian faith specifically to the doctrine of the incarnation If we are to affirm that in Christ God became truly human then that affirmation must include his sharing in the state of being dead that is the ultimate consequence of being human Laufer concludes that since the Son has experienced genuine human death and the separation from God which is the essence of hell there is no longer any human condition from which God is absent either in this life or in eternity Christ's descent means that he is truly hell's destruction Drawing on a treasure trove of writings from the western theological tradition including Luther Calvin Maurice Balthasar Moltmann and others and attending to historical theological exegetical philosophical and pastoral issues this book explores an often ignored doctrine which lies at the core of Christian life death and faith

*Debates over the Resurrection of the Dead* Outi Lehtipuu, 2015-02-12 In *Debates over the Resurrection of the Dead* Outi Lehtipuu highlights the striking observation that in many early texts the way that belief in resurrection is formulated is used as a sign of inclusion and exclusion not only in relation to non Christians but vis vis other Christians Those who teach otherwise have deviated from the truth are not true Christians and do the works of the devil Using insights from the sociological study of deviance Dr Lehtipuu demonstrates that labelling was used as a tool for marking boundaries between those who belonged and those who did not This was extremely important in the fluid conditions where the small Christian minority groups found themselves In a situation where there were no universally accepted structures that defined what constituted the true Christian belief several competing interpretations and their representatives struggled for recognition of their views based on what they believed to be the apostolic tradition The most hotly debated aspect of resurrection was whether it would entail the body of flesh and blood or not When resurrection would take place was closely related to this Controversies died since the scriptural legacy was ambiguous enough to allow different hermeneutical solutions The battle over resurrection was closely related to the question of how scriptures were to be understood as well as to what constituted the human self that would survive death To demonstrate this a wide variety of texts are studied from theological treatises including relevant Nag Hammadi texts to apocryphal acts and martyrologies Acknowledging the complexity and diversity of the early Christian movement this volume views early Christian discourse as part of the broader ancient discursive world where similar debates were going on among both Jews and the majority population

**And Man Created God** George Carl Mynchenberg, 1999-12-19 *And MAN CREATED GOD* presents the Agnostic view point using science history and logic while denying all religious belief and faith in revelations from a Creator or God Reviews *And MAN CREATED GOD* is vigorous and

clearly written Readers should have no doubt about the position you take the positions you challenge and why you find religious beliefs doubtful It articulates very well what you call the agnostic position Charles F Kielkopf Professor of Philosophy Ohio State University Dr. W. presentation of the major Christological developments pertaining to Jesus Resurrection that have taken place in the twentieth century Father Osborne has produced a pioneering study that integrates the threefold dimension of Christ's life death and rising from the dead into a comprehensive and balanced theology of the Resurrection This book will provide an excellent overview of and introduction to the achievements of contemporary Christology on the question of the Resurrection Its clear direct and popular style will provide stimulating reading for all believers

**Sermons On Selected Lessons Of The New Testament** St. Augustine of Hippo, The Sermons of St Augustine besides their other excellencies furnish a beautiful picture of perhaps the deepest and most powerful mind of the Western Church adapting itself to the little ones of Christ In them he who has furnished the mould for all the most thoughtful minds for fourteen hundred years is seen forming with loving tenderness the babes in Christ Very touching is the child like simplicity with which he gradually leads them through what to them were difficulties watching all the while whether he made himself clear to them keeping up their attention pleased at their understanding dreading their approbation and leading them off from himself to some practical result Very touching the tenderness with which he at times reproves the allowance which he makes for human infirmities and for those in secular life if they will not make their infirmities their boast or in allowed duties and indulgences forget God But his very simplicity precludes the necessity of any preface His Sermons explain themselves They appear from a passage in the Commentary on the Psalms to have been often taken down in writing at the time by the more attentive sort of hearers as were those of St Chrysostom Possidius states that this was done from the commencement of his presbyterate and that thence through the body of Africa excellent doctrine and the most sweet savour of Christ was diffused and made manifest the Church of God beyond seas when it heard thereof partaking of the joy
