Cerrone, 2024-08-15 Did you know that you can love Jesus and therapy at the same time that you can be a committed follower of Jesus and still wrestle with depression anxiety and mood swings Flip through the pages of the Bible and you ll find numerous heroes of the faith who wrestled with such things In this book you ll encounter ten major Bible characters who experienced depression and God used them to do mighty and extraordinary things for Him Why is this important Because you need to know that God isn t done with you just because you re going through some tough things in life No God can and will use you to do things you ve never imagined if you ll step outside of the boat and give it all to Him In Embers of Hope there is this call to have a conversation between the church and those going through depression If we re honest there hasn t always been room in the church for people going through these valley experiences So let s make room in the church for the church belongs to Jesus who compassionately cares for all people no matter what kind of season we may be going through In Embers of Hope you ll notice the word hope You may feel that all you have is a small glowing ember as opposed to this raging fire of passion but the hope lies in the fact that all it takes is for God to blow on that ember and experience that raging fire of passion again But there is also a call for us to ask God What are you trying to show me through this season I hope you ll be

greatly encouraged as you read *Embers of Hope* and I hope you'll grasp onto that hope that can only be found in Jesus
