

Reflections in Time

Above there is reflection
Colorful and bright
Dancing in the sunlight
Shimmering at night

Just below the surface
Another world awaits
Holding onto mysteries
Until some future date

Our view will let us marvel
That these two coexist
And think on our experiences
And those we might have missed

The world is full of beauty
And also some surprise
Perhaps it is the future
Reflecting in our eyes

The Beauty Of Reflection Life Inspired Poems:

The Beauty of Reflection Jaclyn Gray, 2004-06-01 Inside the pages of this book is a beautiful assortment of life experiences Even as a child I was interested in how life events make a person who he or she is I know that everybody has a story to be told Every poem in this book is inspired by someone s life experience some are my own I don t include a description of what each poem is about because I want the reader to use his or her imagination instead of a preconceived notion I want readers to decide for themselves what each poem means My hope is that by reading this book hearts will be touched and people will not only identify with but experience and appreciate the triumphs and sorrows that happen in everyday life In doing so may those who read this grow and heal a part of their souls may they feel the beauty of reflection
