reviews the significant changes and turmoil experienced by the Jewish people as they transitioned from a nomadic existence in the wilderness to a settled nation occupying the Promised Land **The Hebrew Bible for Beginners** Dr. Joel N. Lohr, Dr. Joel S. Kaminsky, 2015-09-15 Jews call the Hebrew Scriptures the Tanakh and Christians call them the Old Testament It doesn't take long to see that Jews and Christians view the same set of books differently and interpret these scriptures in unique and at times conflicting ways The Hebrew Bible for Beginners introduces students to the tremendous influence the Hebrew Bible has had on western society for over two millennia and explores the complexities of reading ancient religious literature today The book also addresses how certain modern critical approaches may initially be alarming indeed even shocking to those who have not been exposed to them but it tackles the conversation in a respectful fashion Avoiding jargon and convoluted prose this highly accessible volume provides textboxes charts a timeline a glossary and regularly includes artistic renderings of biblical scenes to keep lay and beginning readers engaged [A Bible Handbook For Beginners](#) Albert Guthrie, 2024-03-18 This handbook is designed to help all believers to have a better grasp of the Bible But it is also written with the Jewish people in mind Without the Jewish history there would be no Christianity John 1:11 declares that Jesus' presence reserved for people came unto His own the Jewish people and His own received Him not they rejected Jesus as their Messiah As a result salvation has come to the Gentile nations Romans 11:11 The apostle Paul uses an olive tree as a metaphor in Romans 11:24 to explain an integral truth Paul in that text says that we as Gentiles who were considered wild by nature non Jews were grafted into the natural olive tree Jews along with the natural branches through Jesus Christ who is God's chosen One to reconcile both the Jews and the Gentiles into one covenant This metaphor speaks not only of two differing races of people uniting together in one covenant but it speaks to the fact that Judaism and Christianity are dependent upon each other One cannot do without the other They are divinely intertwined Hence we have the term Judeo Christian God intended that the Jewish nation was to be a prototype of the church body of Jesus Christ This handbook reveals that process of God's divine plan It will be obvious as you wade through the pages of this handbook the unfolding of the plan of God from ages past It will reveal how God has worked through obstacle after obstacle to produce a solution for all people regardless of religion race color culture or gender *Bowker's Complete Video Directory, 1998*, 1998
