Directions -- In each of the following rows of four words across, place an X in front of the one word that most often applies to you. Continue through all forty lines. Be sure each row is marked with only one X. If you are not sure which word "most applies," ask a spouse or a friend, think of what your answer would have been when you were a child, or before trauma entered your life. Mark your answers as quickly as possible without overthinking. If you need a definition, highlight the word, right click and choose "Dictionary" or writing tools from your quick use menu.
