Touching Heaven Dr. Chauncey Crandall,2015-09-15 How a doctor s glimpses of eternity confirmed everything he believed about God suffering life on earth and what happens after death Dr Chauncey Crandall knows his patients well When they are dying he sits at the bedside with them and holds their hands He prays with them Sometimes he can feel what they feel and see what they see At other times his patients have near death experiences and come back with astonishing descriptions of the afterlife In TOUCHING HEAVEN Dr Crandall reveals how what he has seen and heard has convinced him that God is real that we are created for a divine purpose that death is not the end that we will see our departed loved ones again and that we are closer to the next world than we think

A Thematic Access-Oriented Bibliography of Jesus's Resurrection Michael J. Alter,2019-12-31 The keystone of Christianity is Jesus s physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires

additional effort A Thematic Access Oriented Bibliography of Jesus's Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease
