both traveled and or at which Dr Jan has worked The column started out as a way to capture the ambling and sometimes philosophical thoughts and experiences triggered by almost daily time spent on a bike When a serious illness got in the way of biking the habit of writing about life became almost a tension reliever as she wrote about that experience In the years since it started the column has evolved into writing about anything and everything she and others experience in life This book captures some of the best of those first ten years *The British Drama; Comprehending the Best Plays in the English Language* British Drama,1804 *Book of Humorous Quotations* Connie Robertson,1998 From Oscar Wilde s witty observation in *Lady Windermere s Fan* that I can resist everything except temptation to Zsa Zsa Gabor s admission that I know nothing about sex because I was always married and by way of Woody Allen s numerous bon mots to the anonymous definition of psychiatry as being the care of the id by the odd Connie Robertson has woven together a hilarious stimulating and thought provoking collection of the best humorous quotations which will provide the reader with much to ponder over long after the book has been put aside The Wordsworth Book of Humorous Quotations will delight the browser and the simply curious while also providing the student journalist and after dinner speaker with a wealth of valuable material
