

Your Best Friend

Composed by TOSY FOX
Adapted by DAVID PEACOCK

Andante

The musical score is written for piano in 3/4 time, marked 'Andante'. It consists of three systems of staves. The first system (measures 1-4) features a treble staff with whole rests and a bass staff with a steady eighth-note accompaniment. The second system (measures 5-8) introduces a melody in the treble staff with eighth-note runs and a corresponding bass line. The third system (measures 9-12) continues the melodic and harmonic development, ending with a final cadence. A large, semi-transparent watermark is centered over the middle of the page.

Ethics and Christian Musicking Nathan Myrick, Mark Porter, 2021-03-22 The relationship between musical activity and ethical significance occupies long traditions of thought and reflection both within Christianity and beyond From concerns regarding music and the passions in early Christian writings through to moral panics regarding rock music in the 20th century Christians have often gravitated to the view that music can become morally weighted building a range of normative practices and prescriptions upon particular modes of ethical judgment But how should we think about ethics and Christian musical activity in the contemporary world As studies of Christian musicking have moved to incorporate the experiences agencies and relationships of congregations ethical questions have become implicit in new ways in a range of recent research how do communities negotiate questions of value in music How are processes of encounter with a variety of different others negotiated through musical activity What responsibilities arise within musical communities This volume seeks to expand this conversation Divided into four sections the book covers the relationship of Christian musicking to the body responsibilities and values identity and encounter and notions of the self The result is a wide ranging perspective on music as an ethical practice particularly as it relates to contemporary religious and spiritual communities This collection is an important

milestone at the intersection of ethnomusicology musicology religious studies and theology It will be a vital reference for scholars and practitioners reflecting on the values and practices of worshipping communities in the contemporary world

Making a Good Church Great Steve

Sjogren,2010-02-25 Bestselling author Steve Sjogren untangles the complex jumble commonly known as greatness in today's megachurch mega everything world As a successful pastor he launched the servant evangelism movement but along the way he discovered that significance was not where or what he thought it would be Now in a very practical book he focuses on genuine greatness Is it the size of the sanctuary The number of new believers baptized each year The youth attendance The quantity of bestselling books the pastor has written The list of television shows radio shows or podcasts the pastors appears on Or is it something more What is the buzz on good churches that become great in God's eyes Sjogren argues that greatness is not a point at which you arrive rather it is an ongoing process of worshipping serving and living in God's presence It not a slick program rather it is a family a hospital an army and a school When God is present his people are empowered When God empowers his people a good church becomes great

All are Chosen Margaret L. Beard,Roger W. Comstock,1998 The work of the church is the shared responsibility of both the minister and the laity Collected here are more than 20 inspiring narratives told by the people who live the belief in this shared ministry Each story is an in depth look at the work of ministering to one another
