The Best There Ever Was:

Best There Ever Was Sharon B. Smith, 2012-06-20 His winning percentage was well above Jordan's shooting average or Woods's domination of golf tournaments. And he sold products and drew spectators like no one had ever done. He was hands down the most famous athlete in America's most popular spectator sport and exactly one hundred years ago you would have been hard pressed to find anybody in the country who didn't know his name. He was Dan Patch and he was a racehorse. At the turn of the last century harness racing drew larger crowds and offered bigger paychecks than any other sport. Its stars were household names and Dan Patch was both the most celebrated and the richest. As successful as he was on the track, Dan Patch was also America's first marketing machine: the horse who could sell cigars, washing machines, stoves, automobiles, and animal feed just by the presence of his name and photograph. *The Best There Ever Was* examines the evolution of sports marketing through the lives of Dan Patch and the three men who owned him: an Indiana breeder, Dan Messner; M. E. Sturgis, who sold the horse for 20,000, a fortune in those days; and spent the rest of his life trying to buy him back; and Marion W. Savage of Minneapolis, whose entrepreneurial skills presaged today's sports marketing geniuses. Any athlete who can draw a 90,000 person crowd, offer up world records, and then sell a coal stove with his name on it may well be the best by anybody's standards. A fun and fascinating read for sports lovers.

Mantle Tony Castro, 2019-05-22 Mantle's life story has been told many times, but it's never received as loving a treatment as this one. Booklist Starred Review: Mickey Mantle is one of baseball's all-time greats. Playing for the New York Yankees for his entire professional career, Mantle was named to the All-Star team for 11 consecutive seasons, won three MVP awards, and was a seven-time World Series champion. He quickly became an icon who achieved hero status even while playing through injuries for most of his career. In *Mantle: The Best There Ever Was*, Tony Castro makes the impassioned argument that Mickey Mantle truly was the greatest ballplayer of all time. Acclaimed by the New York Times as the definitive biographer of baseball's fabled number 7, Castro shares many of his personal conversations with Mantle, demystifying the legend and revealing intimate, never-before-published details from Mantle's personal life. In addition, Castro offers illuminating new insights into Mantle's extraordinary career, including the head-turning conclusion based on the evolution of analytics that the beloved Yankee switch-hitting slugger may ultimately win acclaim as having fulfilled the weighty expectation once placed on him: being even greater than Babe Ruth. Drawing from hundreds of interviews with ex-teammates, friends, and family, Castro masterfully blends Mantle's public and private selves to present a fully rounded portrait of this complex, misunderstood national hero.

Science Fiction: The Year's Best (2006 Edition) Joe Haldeman, Alastair Reynolds, 2014-01-08 Horton's elegiac anthology of 15 mostly hard SF stories illuminates a broad spectrum of grief over love thwarted through time-space, human frailty, or alien intervention, from the gentle melancholy of Michael Swanwick's *Triceratops Summer*, which posits tame Technicolored time-warped dinosaurs in Vermont, to newcomer Leah Bobet's *Bliss*, an agonizing riff on near-future drug addiction. Several selections address current political/social issues.

like Mary Rosenblum's Search Engine which extrapolates today's technology to chilling Big Brotherly results The long closing story Alastair Reynolds's Understanding Space and Time however presents a ray of cosmic hope the sole survivor of a plague that decimated humanity is rescued and healed by intergalactic entities and lives out millennia while seeking ultimate truths returning to see mankind regenerated This anthology reflects the concerns of the genre today and the apparent inability of our society to do anything about them Publishers Weekly **The best things [sermons]**.
