Concept of Service Quality in Commercial Practice Amelikeh Confidence E. N.,2020-07-30 Commercial Practice is the work done for the earning acquisition and ownership of existence and within existence What one acquires the one is said to own resulting in the application of ownership to anything at all acquirable including the slave however the slave is held in possession disowned and hence cannot be said to be owned We cannot accurately say that one owns a slave nor that a slave has owner when the slave is held disowned The disowned thing has no owner The application of ownership to the slave has brought difficulty in telling the relationship between parent and child husband and wife employer and employee and citizen and state for instance as a person being owned sounds as the person being a slave We have redeemed the reality of ownership There are things one can own and things one cannot own although acquirable therefore there are things one has the Right to acquire and things one has no Right to acquire If you cannot own it and you acquire it then you have stolen it rendering you a criminal as theft is a crime Learn Commercial Practice it is the legitimate method of acquiring and possessing and ownership **Chronicles of the Ethereal Nebulae Empress** JB Malatji,2024-01-10 In the quiet shadows of

Erina loved listening to her Uncle Bower's stories even now when she was only eight hafmons from adulthood She loved the excitement the adventure the magic and the heroes where good always conquered evil and the damsel was always rescued by the dashing knight She was also certain none of those things would ever happen to her safely trapped as she was in her quiet village life She had no idea that every five thousand turings one person was required to save the world from decent into an eon of cruelty and suffering at the hands of the Shadis Nor that she could be forced to take on such a perilous journey to the Isle of Cloud where good and evil are not so easily identified and where legends and monsters leap from their fairytales to become sword-wielding larger than life The trigger in those tales was always by the arrival of a mythical creature like a white unicorn which Erina saw this morning Start an adventure that will change the world and possibly yourself
