The Betrayers Joachim And Caroline Murat:

The Betrayers -- Joachim and Caroline Murat Hubert Cole,1972 **The Betrayers: Joachim and Caroline Murat** Hubert Cole,1972 **World Military Leaders** Mark Grossman,2007 Articles profiling important military leaders are arranged in A to Z format *The Death of Joachim Murat* Jonathan North,2025-08-05 The only English language book on the fall and death of Joachim Murat and the final act in the drama of the Napoleonic Wars Joachim Murat son of an innkeeper had won his spurs as Napoleon s finest cavalry general and then won his throne when in 1808 Napoleon appointed him king of Naples He loyally ran this strategic Italian kingdom with his wife Napoleon s sister Caroline until in 1814 with Napoleon beaten and in retreat towards ruin and exile the royal couple chose to betray their imperial relation and dramatically switched sides This notorious betrayal won them temporary respite but just a year later Murat engineered his own dramatic fall A series of blunders took the cavalier king from thinking he had secured his dynasty to fleeing his kingdom His native France did not welcome him initially because Napoleon had not forgiven him then after Napoleon s fall following Waterloo because the restored Bourbons were offering a reward for Murat s head Fleeing again fate brought him to Corsica where welcomed at last Murat turned to plotting the reversal in his fortunes he so felt he deserved Murat soon resolved to bet everything on a hare brained plan to return to Naples as a conquering hero and king His aim was to take a small band of followers land near his capital organise regime change and reclaim his throne In September 1815 he set off and what happened next forms the core of this part tragic part ridiculous story and a lesson in how not to stage a coup Just five days after landing in Calabria King Joachim was hauled before a firing squad and executed There is a fine line in history between a fool and a hero Had Murat succeeded then he would be lauded as daringly heroic but alas he failed and his final adventure has been consigned to oblivion This is unfortunate as the fall of Joachim Murat is the final act of the Napoleonic Wars in Europe as well as being a dramatic story in its own right Based on research in the archives of Paris and Naples Jonathan North s book aims to throw light on the fate of the mightily fallen Murat and restore some history to a tale that until now lay smothered under two centuries of fable and neglect **A Global Chronology of Conflict** Spencer C. Tucker,2009-12-23 This monumental six volume resource offers engaging entries of major diplomatic military and political events driving world conflicts from ancient times to the present Now from ABC CLIO long regarded as a premier publisher of military history comes a monumental resource that encapsulates the entire scope of conflict among human societies Spanning nearly five millennia from the earliest documented fighting to the present A Global Chronology of Conflict From the Ancient World to the Modern Middle East provides a comprehensive survey of major military events With coverage that reaches beyond the battles this work examines the political and diplomatic forces driving world conflicts revolutions forced changes of governments international treaties and acts of aggression and terrorism Written by acclaimed military historian Spencer C Tucker these six chronologically organized volumes offer an accessible richly detailed timeline of military conflict across human history

The concise entries cover all important events on the battlefield and in the corridors of power with special features highlighting hundreds of key leaders and weapon systems From specific data on casualties to coverage of evolving weapons technology to insightful analyses of the social impact of war A Global Chronology of Conflict is an essential resource for students researchers history buffs and general readers alike Napoleon's Women Christopher Hibbert,2004 As a soldier and an emperor Napoleon was ruthless and determined as a lover he showed the same single minded ferocity The Napoleonic Wars 1803-1815 David Gates,2011-06-08 Known collectively as the Great War for over a decade the Napoleonic Wars engulfed not only a whole continent but also the overseas possessions of the leading European states A war of unprecedented scale and intensity it was in many ways a product of change that acted as a catalyst for upheaval and reform across much of Europe with aspects of its legacy lingering to this very day There is a mass of literature on Napoleon and his times yet there are only a handful of scholarly works that seek to cover the Napoleonic Wars in their entirety and fewer still that place the conflict in any broader framework This study redresses the balance Drawing on recent findings and applying a total history approach it explores the causes and effects of the conflict and places it in the context of the evolution of modern warfare It reappraises the most significant and controversial military ventures including the war at sea and Napoleon s campaigns of 1805 9 The study gives an insight into the factors that shaped the war setting the struggle in its wider economic cultural political and intellectual dimensions **The Last Great Dance on Earth** Sandra Gulland,2002-01-27 The Last Great Dance on Earth is the triumphant final volume of Sandra Gulland s beloved trilogy based on the life of Josephine Bonaparte When the novel opens Josephine and Napoleon have been married for four tumultuous years Napoleon is Josephine s great love and she his But their passionate union is troubled from within as Josephine is unable to produce an heir and from without as England makes war against France and Napoleon s Corsican clan makes war against his wife Through Josephine s heartfelt diary entries we witness the personal betrayals and political intrigues that will finally drive them apart culminating in Josephine s greatest tragedy her divorce from Napoleon and his exile to Elba The Last Great Dance on Earth is historical fiction on a grand scale and the stirring conclusion to an unforgettable love story **Reclaiming Female Agency** Norma Broude,Mary D. Garrard,2005-04-11 Reclaiming Feminine Agency identifies female agency as a central theme of recent feminist scholarship offers 23 essays on artists issues from the Renaissance to the present written in the 1990s after **The Transformation of European Politics, 1763-1848** Paul W. Schroeder,1994 This is the only modern study of European international politics to cover the entire timespan from the end of the Seven Years War in 1763 to the revolutionary year of 1848
