

The Bible Between Fundamentalism and Philosophy

HENRY P. HAMMANN

The Bible Between Fundamentalism And Philosophy

Chad Meister, James Beilby

The Bible Between Fundamentalism And Philosophy:

The Bible Between Fundamentalism and Philosophy Henry Paul Hamann, 1980-01-01 The New Cambridge History of the Bible: Volume 4, From 1750 to the Present John Riches, 2015-04-13 This volume examines the Bible's role in the modern world beginning with a treatment of its production and distribution that discusses publishers printers text critics and translators and continuing with a presentation of new methods of studying the text that have emerged including historical literary social scientific feminist postcolonial liberal and fundamentalist readings There is a full discussion of the changes in understandings of and approaches to the Bible in various faith communities The dissemination of the Bible throughout the globe has also produced a host of new interpretations and this volume provides a comprehensive geographical survey of its reception In the final chapters the authors offer a thematic overview of the Bible in relation to literature art film science and other disciplines They demonstrate that in spite of challenges to the Bible's authority in western Europe it remains highly relevant and influential not least in the Americas Africa and Asia **Evangelicalism and Fundamentalism in the United Kingdom during the Twentieth Century** David W. Bebbington, David Ceri Jones, 2013-10-03 Historians have sometimes argued and popular discourse certainly assumes that evangelicalism and fundamentalism are identical In the twenty first century when Islamic fundamentalism is at the centre of the world's attention whether or not evangelicalism should be seen as the Christian version of fundamentalism is an important matter for public understanding The essays that make up this book analyse this central question Drawing on empirical evidence from many parts of the United Kingdom and from across the course of the twentieth century the essays show that fundamentalism certainly existed in Britain that evangelicals did sometimes show tendencies in a fundamentalist direction but that evangelicalism in Britain cannot simply be equated with fundamentalism The evangelical movement within Protestantism that arose in the wake of the eighteenth century revival exerted an immense influence on British society over the two subsequent centuries Christian fundamentalism by contrast had its origins in the United States following the publication of *The Fundamentals* a series of pamphlets issued to ministers between 1910 and 1915 that was funded by California oilmen While there was considerable British participation in writing the series the term fundamentalist was invented in an exclusively American context when in 1920 it was coined to describe the conservative critics of theological liberalism The fundamentalists in Britain formed only a small section of evangelical opinion that declined over time Fundamentalism and Evangelicals Harriet A. Harris, 1998-06-11 This study examines the contentious claim that much evangelicalism is fundamentalist in character Within Protestantism the term fundamentalism denotes not only a movement but also a mentality which has greatly affected evangelicals and which involves preserving as factual a reading of scripture as possible Here the development and dismantling of the fundamentalist mentality is examined in light of philosophical influences upon evangelicalism over the last three centuries notably Common Sense Realism neo Calvinism and modern hermeneutical

philosophy Particular attention is paid to James Barr's critique of fundamentalism and to evangelical rejoinders Harriet A Harris proposes that the fundamentalist mentality does not do justice to evangelical experience since it is more concerned with the Bible's factual truthfulness than with its life giving effects An appendix on Global Fundamentalism brings together two rarely united fields of study Protestant fundamentalism's relation to evangelicalism and its relation to resurgent movements in other religions

Fundamentalism and American Culture George M. Marsden, 1982 Chronicles the history of the fundamentalist movement in the United States and discusses how the social political and intellectual aspects of Protestant fundamentalism affected the movement

Fundamentalism James Barr, 2018-11-29 Much of the Christianity which flourishes best today has conservative or fundamentalist characteristics that is strong emphasis on the correctness of the Bible hostility to the methods of modern critical theology and an assurance that those who choose to differ are not really true Christians at all In this penetrating critique Professor Barr first argues that the nature of fundamentalism is often misunderstood and that the general understanding of the way in which biblical conservatism works needs to be improved and corrected Secondly however he seeks to dissuade those who are attracted by it arguing that the conservative position is not only incoherent as a scholarly position but thoroughly in contradiction theologically with the central logic of Christian faith Biblical scholarship and theology he believes have much to learn from the discussion While it is right to repudiate a fundamentalist approach the reasons advanced for this rejection have often been unsound and these unsound arguments have damaged both modern biblical criticism and modern theology Both conservative evangelical and more liberal scholars are likely to study what he has to say with unusual avidity

Fundamentalism and Evangelicalism Martin E.

Marty, 2011-06-15 No detailed description available for Fundamentalism and Evangelicalism

The Routledge Companion to Modern Christian Thought Chad Meister, James Beilby, 2013-10-28 This Companion provides an unrivalled view of the field of modern Christian thought from the Enlightenment to the twentieth century and beyond Written by an outstanding team of theologians and philosophers of religion it covers the following topics within Christian thought Key figures and influencers Central events and movements Major theological issues and key approaches to Christian Theology Recent topics and trends in Christian thought Each entry is clear and accessible making the book the ideal resource for students of Christian thought and history and philosophy of religion and a valuable reference for professional theologians and philosophers

Interdisciplinary Perspectives on the Authority of Scripture Carlos R. Bovell, 2011-09-01 A bold and high quality reflection on how to hold a high view of Scripture once the notion of infallibility is perforce given up

The Oxford Handbook of Christian Fundamentalism Andrew Atherstone, David Ceri Jones, 2024-01-18 This authoritative volume offers the fullest account to date of Christian fundamentalism its origins in the nineteenth century and its development up to the present day It looks at the movement in global terms and through a number of key subjects and debates in which it is actively engaged

Decoding **The Bible Between Fundamentalism And Philosophy**: Revealing the Captivating Potential of Verbal Expression

In an era characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its capability to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring. Within the pages of "**The Bible Between Fundamentalism And Philosophy**," a mesmerizing literary creation penned with a celebrated wordsmith, readers set about an enlightening odyssey, unraveling the intricate significance of language and its enduring impact on our lives. In this appraisal, we shall explore the book's central themes, evaluate its distinctive writing style, and gauge its pervasive influence on the hearts and minds of its readership.
