The Legend And The Apostle The Battle For Paul In Story And Canon

Cavan Concannon, Lindsey A. Mazurek

The Legend And The Apostle The Battle For Paul In Story And Canon:

The Legend and the Apostle Dennis Ronald MacDonald, 1983-01-01 The apostle Paul antifeminist conformist or social radical Combining New Testament studies with folkloristic methods to search for the true identity of Paul the author sheds new light on the apocryphal Acts of Paul and the Pastoral Epistles of the canonical New Testament With this book the legends surrounding the apostle have been rescued from near oblivion and properly placed in the Pauline tradition

Formulated in the days of early Christianity and handed down through the centuries they cast new light on Paul's views about the ordination of women the forms of Christian community and the meaning of the gospel for politics society and sexuality

The Acts of Paul and Thecla Jeremy W. Barrier, 2009 Sometime in the second century an early Christian text began to circulate called the Acts of Paul and Thecla Since then the tale of the apostle Paul along with his strong heroine co worker named Thecla has received much attention as an independent source of information about earliest Christianity for what it might tell us about the role of women in ministry and the relationship women may have had to Paul in his missionary activities In this volume Jeremy W Barrier provides a critical introduction and commentary on the Acts of Paul and Thecla to serve as a user friendly starting point for anyone interested in entering into the many discussions and academic writings surrounding the Acts of Paul and Thecla Apart from a critical text with English translation followed by textual notes and general comments the author also offers an extensive introduction to the text

The Letters of Paul Charles B. Puskas, 1993 A Michael Glazier book Includes bibliographical references p 194 216 Introduction to the New Testament

Helmut Koester, 1995 This work has established itself as a classical text in the field of New Testament studies Written in a readable non technical style it has become an indispensable textbook and reference for teachers students clergy and the educated layperson interested in a scholarly treatment of the New Testament and its background in the Judaic and Greco Roman world

Jewish-Christianity and the History of Judaism Annette Yoshiko Reed, 2018-07-12 Jewish Christianity is a contested category in current research But for precisely this reason it may offer a powerful lens through which to rethink the history of Jewish Christian relations Traditionally Jewish Christianity has been studied as part of the origins and early diversity of Christianity Collecting revised versions of previously published articles together with new materials Annette Yoshiko Reed reconsiders Jewish Christianity in the context of Late Antiquity and in conversation with Jewish studies She brings further attention to understudied texts and traditions from Late Antiquity that do not fit neatly into present day notions of Christianity as distinct from Judaism In the process she uses these materials to probe the power and limits of our modern assumptions about religion and identity

Across the Corrupting Sea Cavan Concannon, Lindsey A. Mazurek, 2016-03-17 Across the Corrupting Sea Post Braudelian Approaches to the Ancient Eastern Mediterranean reframes current discussions of the Mediterranean world by rereading the past with new methodological approaches The work asks readers to consider how future studies might write histories of the Mediterranean moving from the larger pan Mediterranean

approaches of The Corrupting Sea towards locally oriented case studies Spanning from the Archaic period to the early Middle Ages contributors engage the pioneering studies of the Mediterranean by Fernand Braudel through the use of critical theory GIS network analysis and postcolonial cultural inquiries Scholars from several time periods and disciplines rethink the Mediterranean as a geographic and cultural space shaped by human connectivity and follow the flow of ideas ships trade goods and pilgrims along the roads and seascapes that connected the Mediterranean across time and space The volume thus interrogates key concepts like cabotage seascapes deep time social networks and connectivity in the light of contemporary archaeological and theoretical advances in order to create new ways of writing more diverse histories of the ancient world that bring together local contexts literary materials and archaeological analysis **Dictionary of Paul and His Letters**

InterVarsity Press,2023-04-11 In this thoroughly revised and updated edition of a classic reference work topics like Christology justification and hermeneutics receive careful treatment by trusted specialists New topics like politics patronage and different cultural perspectives expand the volume s breadth and usefulness for scholars pastors and students today

Animals in the Apocryphal Acts of the Apostles Janet E. Spittler,2008 Revised thesis Ph D University of Chicago 2007

The Apocryphal Epistle to the Laodiceans Philip L. Tite,2012-07-26 Challenging nearly two centuries of scholarship this book offers the first close analysis of the apocryphal epistle to the Laodiceans A near consensus in scholarship has emerged in which Laodiceans is dismissed as a random collection of phrases plucked from the undisputed Pauline letters which lacks any organizational structure or theological sophistication In The Apocryphal Epistle to the Laodiceans Philip Tite offers a detailed analysis of this Latin letter by exploring the epistolary conventions utilized by the letter writer What emerges is a pseudonymous text that is a carefully crafted paraenetic letter with a discernible rhetorical situation By highlighting Laodiceans use of Paul as a literary culture hero Tite situates the letter within second century Christian identity formation **Paul's Ekklesia as a Civic Assembly** Young-Ho Park,2015-04-21 How did Paul s term ekklesia formulate the Christian self understanding Young Ho Park finds the answer in its strong civic connotation in the politico cultural world of the Greek East under the Roman Empire By addressing his local Gentile congregation as ekklesia in his letters Paul effectively created a symbolic universe in which the Christ worshippers saw themselves as the honorable citizens who represented the city before God Publisher

Yeah, reviewing a books **The Legend And The Apostle The Battle For Paul In Story And Canon** could grow your near contacts listings. This is just one of the solutions for you to be successful. As understood, exploit does not suggest that you have extraordinary points.

Comprehending as well as settlement even more than additional will offer each success. next-door to, the publication as skillfully as acuteness of this The Legend And The Apostle The Battle For Paul In Story And Canon can be taken as with ease as picked to act.
