The Letters Of Peter And Jude:

The Letters of 2 Peter and Jude Peter H. Davids, 2006-09-19 Filling a notable gap in scholarship on 2 Peter and Jude Peter Davids artfully unpacks these two neglected but fascinating epistles that deal with the confrontation between the Greco Roman world and the burgeoning first century Jesus communities Davids firmly grasps the overall structure of these oft maligned epistles and presents a strong case for 2 Peter and Jude as coherent consistent documents Marked by exceptional exegesis and sharp independent judgments Davids s work both connects with the latest scholarship and transforms scholarly insights into helpful conclusions benefiting Christian believers The Letters of Peter and Jude Raymond C. Kelcy, 1972

The Letters of Peter and Jude A. R. C. Leaney, 1966-10 This series of commentaries on the New English Bible is designed for use in schools and colleges and for the minister and the layman Each volume comments on one book or part of the Bible In each the text is given in full Sections of text and commentary alternate so that the reader does not have to keep two books open or turn from one part of the book to the other or refer to a commentary in small type at the foot of the page Great care has been taken to see that the commentary is suitable for the student and the layman there is no Greek or Hebrew and no strings of biblical references The general editors all have experience of teaching or examining in school and working with adults Commentaries on all the books of the Old Testament New Testament and Apocrypha have been published together with introductory volumes and books of illustrations to accompany each Testament The Second Epistle General of Peter, and the General Epistle of Jude Michael Green, 1987 Green s study of 2 Peter and Jude constitutes one volume in the Tyndale New Testament Commentaries a popular series designed to help the general Bible reader understand clearly what the text actually says and what it means without undue recourse to scholarly technicalities **The Letters of Peter and Jude** Alfred Robert Clare Leaney, 1967 *Sacra Pagina: 1 Peter, Jude and 2 Peter* Donald P. Senior, Daniel J.

Harrington, 2016-03-16 Crisis in the church is not a new phenomenon In fact the church has always been and probably always will be involved in some kind of crisis Even in the apostolic period which is regarded by many as the church s golden age there were serious crises coming both from the outside as in 1 Peter and from the inside as in Jude and 2 Peter The three short New Testament letters treated in 1 Peter Jude and 2 Peter illustrate the problems early Christians faced as well as the rhetorical techniques and theological concepts with which they combated those problems In the first part of this volume Donald Senior views 1 Peter as written from Rome in Peter s name to several churches in northern Asia Minor present day Turkey in the latter part of the first century C E The new Christians addressed in 1 Peter found themselves aliens and exiles in the wider Greco Roman society and suffered a kind of social ostracism But they are given a marvelous theological Vision of who they have become through their baptism and pastoral encouragement to stand firm They are shown how to take a missionary stance toward the outside world by giving the witness of a holy and blameless life to offset the slander and ignorance of the non Christian majority and possibly even to lead them to glorify God on the day of judgment In the second

part of this volume Daniel Harrington interprets Jude and 2 Peter as confronting crises in the late first century that were perpetrated by Christian teachers who are described polemically as intruders in Jude and as false teachers in 2 Peter In confronting the crises within their churches the authors appeal frequently to the Old Testament and to early summaries of Christian faith While Jude uses other Jewish traditions 2 Peter includes most of the text of Jude as well as many distinctively Greek terms and concepts It is clear that for the authors despite their different social settings what was at stake was the struggle for the faith Daniel J Harrington SJ is a professor of New Testament at Weston Jesuit School of Theology in Cambridge Massachusetts and general editor of New Testament Abstracts He is a past president of the Catholic Biblical Association of American and the editor of the Sacra Pagina series He also wrote The Gospel of Matthew in the Sacra Pagina series Donald Senior CP is a professor of New Testament studies and president of Catholic Theological Union in Chicago He was recently appointed by Pope John Paul II to the Pontifical Biblical Commission General editor of The Bible Today he also co edited The Collegeville Pastoral Dictionary of the Bible and the 22 volume international commentary series New Testament Message and he wrote the four volume The Passion series published by The Liturgical Press *The Letters of Peter and Jude* Alfred Robert Clare Leaney,1967 **The Letters of Peter and Jude** A. R. C. Leaney,1967 **The Theology of the Letters of James, Peter, and Jude** Andrew Chester,Ralph P. Martin,1994-09-08 The letters of James 1 and 2 Peter and Jude are among the most neglected parts of the New Testament for they lack the immediacy and specificity of the Pauline letters The authors of this study seek to remedy such neglect they set the letters in context examine their major themes and argue that they are important both for the theology of the New Testament generally and for contemporary discussion about the nature and character of Christian faith today *The Letters of Peter & Jude* Dr. William Barclay,1959*
