Israel and Palestine *Between Dixie and Zion* Walker Robins, 2020-03-17 Explores the roots of evangelical Christian support for Israel through an examination of the Southern Baptist Convention One week after the establishment of the State of Israel in 1948 delegates to the Southern Baptist Convention SBC repeatedly and overwhelmingly voted down resolutions congratulating fellow Southern Baptist Harry Truman on his role in Israel's creation From today's perspective this seems like a shocking result After all Christians particularly the white evangelical Protestants who populate the SBC are now the largest pro Israel constituency in the United States How could conservative evangelicals have been so hesitant in celebrating Israel's birth in 1948 How did they then come to be so supportive *Between Dixie and Zion* Southern Baptists and Palestine before Israel addresses these issues by exploring how Southern Baptists engaged what was called the Palestine question whether Jews or Arabs would or should control the Holy Land after World War I Walker Robins argues that in the decades leading up to the creation of Israel most Southern Baptists did not directly engage the Palestine question politically Rather they engaged it indirectly through a variety of encounters with the land the peoples and the politics of Palestine Among the instrumental figures featured by Robins are tourists foreign missionaries Arab pastors converts from Judaism biblical interpreters fundamentalist rebels editorialists and of course even a president While all revered Palestine as the Holy Land each approached and encountered the region according to their own priorities Nevertheless Robins shows that Baptists consistently looked at the region through an Orientalist framework broadly associating the Zionist movement with Western civilization modernity and progress over and against the Arabs whom they viewed as uncivilized premodern and backward He argues that such impressions were not idle they suggested that the Zionists were bringing to fruition Baptists long expressed hopes that Israel would regain the prosperity it had held in the biblical era the Holy Land would one day be revived and biblical prophecies preceding the return of Christ would be fulfilled **Catalog of Copyright Entries. Suleiman, 2006 The New Shape of World Christianity Mark A. Noll, 2010-01-25 In this book Mark Noll makes the compelling case that how Americans have come to practice the Christian faith is just as globally important as what the American church has done in the world He backs up this substantial claim with the scholarly attentiveness we've come to expect from him *International Bibliography of Jewish Affairs*, 1976
