William Sparrow, D. D** Cornelius Walker, 2018-03-11 Excerpt from *The Life and Correspondence of Rev William Sparrow D D* Late Professor of Systematic Divinity and Evidences in the Episcopal Theological Seminary of Virginia In the preparation of the following Memoir regard has been had more especially to the desires and wishes of one class the largest among those who will give it a perusal the pupils of Dr Sparrow the survivors of the different generations of students who for nearly half a century in Ohio and in Virginia were under his instruction Details perhaps of little interest to others but of much to these have thus been introduced portions of correspondence inserted that might have been otherwise omitted and points amplified which might have been more briefly treated As belonging to this brotherhood the writer has had no difficulty in deciding what he would have desired from any one else engaged in his undertaking What therefore he would have wished for himself he has endeavored to provide for his fellow pupils About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Standing Against the Whirlwind** Diana Butler Bass, 1995 The result is a fascinating picture of the struggle and ultimate failure of the movement a loss Butler shows not to the ritualist opponents against whom they struggled for the better part of the century but to the liberal forces of the secularized twentieth century *Literature of Theology* John Fletcher Hurst, 1896 *Standing Against the Whirlwind* Diana Hochstedt Butler, 1995-08-10 *Standing Against the Whirlwind* is a history of the Evangelical party in the Episcopal Church in nineteenth century America A surprising revisionist account of the church's first century it reveals the extent to which evangelical Episcopalians helped to

shape the piety identity theology and mission of the church Using the life and career of one of the party s greatest leaders Charles Pettit McIlvaine the second bishop of Ohio Diana Butler blends institutional history with biography to explore the vicissitudes and tribulations of evangelicals in a church that often seemed inhospitable to their version of the Gospel This gracefully written narrative history of a neglected movement sheds light on evangelical religion within a particular denomination and broadens the interpretation of nineteenth century American evangelicalism as a whole In addition it elucidates such wider cultural and religious issues as the meaning of millennialism and the nature of the crisis over slavery

For the Union of Evangelical Christendom Allen C. Guelzo, 2010-11-01 American Episcopalians have long prided themselves on their love of consensus and their position as the church of American elites They have in the process often forgotten that during the nineteenth century their church was racked by a divisive struggle that threatened to tear apart the very fabric of the Episcopal Church On one side of this struggle was a powerful and aggressive Evangelical party who hoped to make the Episcopal Church into the democratic head of the sisterhood of Evangelical Churches in America on the other side was the Oxford Movement equally powerful and aggressive but committed to a range of Romantic principles which celebrated disillusion and disgust with evangelicalism and democracy alike The resulting conflict over theology liturgy and above all culture led to the schism of 1873 in which many Evangelicals left the church to form the Reformed Episcopal Church *For the Union of Evangelical Christendom* tells this largely forgotten story using the case of the Reformed Episcopalians to open up the ironic anatomy of American religion at the turn of the century Today as the Episcopal Church once again finds itself enmeshed in cultural and religious crisis the remembrance of a similar crisis a century ago brings an eerily prophetic ring to this remarkable work of cultural and religious history

From Western Virginia with Jackson to Spotsylvania with Lee Peter C. Luebke, 2023-07-18 *From Western Virginia with Jackson to Spotsylvania with Lee* presents the diaries and letters of St Joseph Tucker Randolph a young Confederate soldier from Richmond Virginia As might be expected of the son of a bookseller Tucker s writings offer lucid and candid descriptions of the Civil War Unlike most who served Randolph fought in both the eastern and western theaters of the war He began the war in the 21st Virginia Infantry a part of the famed Stonewall Brigade before moving on to staff roles with Henry M Ashby in Tennessee and John Pegram in Virginia Throughout it all he kept diaries and wrote letters home correspondence his family preserved after Tucker s death in action at Bethesda Church in 1864 Tucker s lengthy accounts of campaigning in western Virginia in 1861 and early 1862 give many rich characterizations of the area and Thomas J Stonewall Jackson His writings from Kentucky and Tennessee in 1862 offers trenchant commentary on the failures of the western armies Tucker s return to Virginia in late 1863 as a staff officer gave him the perfect vantage point to write about Robert E Lee s Army of Northern Virginia including a particularly vivid account of the Battle of Spotsylvania in 1864 Ample illustrations and maps help bring Tucker s writings to life making this book an excellent account of a young Confederate soldier s Civil War Peter C Luebke editor of other Civil War narratives

such as Albion Tourg e s *The Story of a Thousand* and *The Autobiography of John A Dahlgren* contextualizes the writings and provides thorough annotation on the people places and events mentioned Noted scholar Gary W Gallagher the John L Nau III Professor in the History of the American Civil War emeritus at the University of Virginia contributes a foreword that amplifies the importance of Tucker s writings
