The Life God Blesses Weathering The Storms Of Life That Threaten The Soul:

The Life God Blesses Gordon MacDonald, 1997-04-27 In *The Life God Blesses* author and pastor Gordon MacDonald asks the question are we prepared to weather the storms of life In this book MacDonald steers us toward the disciplines convictions silence beauty and spirit that feed and prepare the soul to recognize and receive God's blessing MacDonald reaches into the Bible and into the experiences of godly men and women of history to discover what can be done to lead a blessed life then leads you through the steps that are necessary to develop a mature soul *Wisdom From the Margins* William G. Britton, 2018-05-16 Henri Nouwen wisely said The great illusion of leadership is to think that man can be led out of the desert by someone who has never been there Jesus has been there and knows how to lead us out but first he just may lead us in He meets us in the desert and does his best work in us there We look for an easier way in vain I myself reluctantly entered the desert and eventually received unimagined gifts there gifts I didn't ask for deserve or want gifts hidden in such painful loss that I despaired and yet looking back now these desert gifts were the best thing that ever happened to me I entered the desert and years later found my way out It's not a new way it was just new to me Jewish and Christian sages had been living it for thousands of years Somehow in recent generations we managed to forget it In this collection I mean to begin to make those riches available to you I'm hoping that like me you'll discover something that you didn't know you wanted or needed and something now you wouldn't give up at any price *Rebuilding Your Broken World* Gordon MacDonald, 2004-01-05 What happens when your ideals and desires plans and strategies all go awry From what sources might one find the resolve to begin a rebuilding process The fact is writes Gordon MacDonald in *Rebuilding Your Broken World* the God of the Bible is a God of the rebuilding process And not enough broken people know that No stranger himself to brokenness Gordon MacDonald draws from personal experience and discusses the likely sources of pain the humiliation and the long and short range consequences of a broken personal world And he offers encouraging answers to the questions everyone asks when their worlds fall apart Is there a way back **Coming Together Around What Matters Most** Thomas J. Bickerton, 2016-04-04 With all the issues facing The United Methodist Church today there are plenty of theories and opinions about what we should do Frankly many of us are weary of the relentless bickering associated with all the rhetoric What are we fighting for This question not only points us to the futility of our disunity but also compels us to consider what we are fighting for what deserves our greatest intensity and effort as we seek to be faithful followers of Jesus Christ Bishop Thomas J Bickerton offers a way to move beyond all the discord to a hope filled future by exploring how we can come together around what matters most so that the gospel of Jesus Christ becomes a vibrant part of our lives and witness He says that fights feuds and uncertainties can distract us leaving us ineffective and mired in mediocrity and decline but focusing on what matters most causes our ministries to flourish and the church to become a relevant and vital presence in the community and world With a warm and practical approach he leads us on a journey of discernment inviting us to explore the spiritual
