## **The Life Of Graham Greene Volume Iii 1955 1991:**

**The Life of Graham Greene** Norman Sherry, 2005

The Life of Graham Greene: 1955-1991 Norman Sherry, 2004

Through letters diaries and interviews this final volume of Graham Greene's biography takes him from China to the peril of Cuba through the rigours of the Belgian Congo to Haiti and other places that he visited up to the time of his quiet death at 86 in Switzerland

**The Life of the Author: Graham Greene** Andrew James, 2025-08-19 Exploring the creative mind of Graham Greene a metafictional study of a literary icon Graham Greene's novels offer more than gripping narratives they are a window into the author's creative obsessions The Life of the Author Graham Greene presents a groundbreaking study that unveils the intimate connection between Greene's life and work using metafictional analysis to reveal the evolution of his views on authorship and storytelling Moving beyond conventional critical interpretations literary scholar Andrew James invites readers to discover how Greene saw himself within his fiction and how his self perception shaped his literary masterpieces Written with both depth and accessibility this illuminating book delves into Greene's disciplined creative process his struggles with self doubt and his playful yet profound engagement with the craft of writing Organized thematically The Life of the Author focuses on Greene's post 1940 works where his identity as a writer solidified making his novels rich with autobiographical undertones Throughout the text James offers new insights into Greene's novels while connecting recurring themes to his personal and creative growth An innovative exploration of one of the twentieth century's most enigmatic authors The Life of the Author Graham Greene Examines Greene's novels through the lens of metafiction to offer a fresh perspective on his craft Presents detailed literary analyses that reveal the self reflective nature of Greene's storytelling Focuses on Greene's authorial identity tracing his growth as a writer from neutral observer to committed advocate Concentrates on Greene's major novels while avoiding exhaustive academic overviews to promote independent critical discovery Discusses the metafictional significance of Greene's novels and entertainments Enriching appreciation for Greene's artistry while exploring metafictional approaches in literary biography The Life of the Author Graham Greene is ideal for university courses in 20th century British literature biography and literary theory particularly at introductory and intermediate levels Scholars students and avid readers of Greene will find it an invaluable resource for understanding the interplay between an author's life and their creative output

Dangerous Edges of Graham Greene Dermot Gilvary, Darren J. N. Middleton, 2011-11-17 Informative broad ranging this title sheds new light on the life and literary art of one of the last century's most celebrated authors The first volume to be authorized by the Graham Greene Birthplace Trust Dangerous Edges of Graham Greene brings together writers journalists and scholars to investigate as well as to assess Greene's prolific oeuvre and intense personal interests Here the reader may explore everything from Greene's Vienna at the time of the filming of The Third Man to his sometimes fraught relationship with Evelyn Waugh from Greene's unconventional fictional treatment of women to his believing skepticism While Greene often informed friends that a ruling passion gives to a shelf of

novels the unity of a system critics of his literary art have found it extraordinarily difficult to define the content of this ruling passion Perhaps this is because Greene s own character seems so paradoxical ironic even Moreover in believing that sin contains within itself the seeds of saintliness he consistently loiters on what Robert Browning calls the dangerous edge of things In exploring this dangerous edge this book covers the full breadth of Greene s life and literary career **Postmodern Fiction and the Break-Up of Britain** Hywel Dix,2011-11-03 A monograph analysing the symbolic role played by contemporary fiction in the break up of political and cultural consensus in British public life **The Cambridge Companion to English Novelists** Adrian Poole,2009-12-10 In this Companion leading scholars and critics address the work of the most celebrated and enduring novelists from the British Isles excluding living writers among them Defoe Richardson Sterne Austen Dickens the Bront s George Eliot Hardy James Lawrence Joyce and Woolf The significance of each writer in their own time is explained the relation of their work to that of predecessors and successors explored and their most important novels analysed These essays do not aim to create a canon in a prescriptive way but taken together they describe a strong developing tradition of the writing of fictional prose over the past 300 years This volume is a helpful guide for those studying and teaching the novel and will allow readers to consider the significance of less familiar authors such as Henry Green and Elizabeth Bowen alongside those with a more established place in literary history **The Works of Graham Greene** Mike Hill,Jon Wise,2013-03-14 A comprehensive reference guide to the published writings of Graham Greene this book surveys not only Greene s literary work including his fiction poetry and drama but also his other published writings Accessibly organised over five central sections the book provides the most up to date listing available of Greene s journalism his published letters and major interviews The Writings of Graham Greene also includes a bibliography of major secondary writings on Greene and a substantial and fully cross referenced index to aid scholars and researchers working in the field of 20th Century literature **The Art of Indirection in British Espionage Fiction** Robert Lance Snyder,2011-07-25 In contrast to the classical detective story the spy novel tends to be considered a suspect somewhat subversive genre While previous studies have focused on its historical thematic and ideological dimensions this critical work examines British espionage fiction s unique narrative form which is typically elliptical oblique and recursive Featured works include eighteen novels by Eric Ambler Graham Greene Len Deighton John le Carre Stella Rimington and Charles Cumming most of which exemplify the existential or serious spy thriller Half of these texts pertain to the Cold War era and the other half to its aftermath in the so called Age of Terrorism *Between Human and Divine* Mary Reichardt,2010 An introduction to recent and emerging Catholic literary works and artists Politics and the Novel During the Cold War David Caute,2017-09-08 David Cautes wide ranging study examines how outstanding novelists of the Cold War era conveyed the major issues of contemporary politics and history In the United States and Western Europe the political novel flourished in the 1930s and 1940s the crisis years of economic depression fascism the Spanish Civil War the consolidation of Stalinism and the Second

World War Starting with the high hopes generated by the Spanish Civil War Caste then explores the god that failed pessimism that overtook the Western political novel in the 1940s The writers under scrutiny include Hemingway Dos Passos Orwell Koestler Malraux Serge Greene de Beauvoir and Sartre Strikingly different approaches to the burning issues of the time are found among orthodox Soviet novelists such as Sholokhov Fadeyev Kochetov and Pavlenko Soviet official culture continued to choke on modernism formalism satire and allegory In Russia and Eastern Europe dissident novelists offered contesting voices as they engaged in the fraught re telling of life under Stalinism The emergence of the New Left in the 1960s generated a new wave of fiction challenging Americas global stance Mailer Doctorow and Coover brought fresh literary sensibilities to bear on such iconic events as the 1967 siege of the Pentagon and the execution of the Rosenbergs
