The Limits Of Trust Cryptography Governments And Electronic Commerce:

The Limits of Trust: Cryptography, Governments, and Electronic Commerce Stewart Abercrombie Baker, Paul R. Hurst, 1998-07-15 The book addresses the international regulation of cryptography and digital signatures both in terms of confidentiality cryptography used to keep secrets and authentication cryptography used to verify information **The Law of Electronic Commerce** Jane K. Winn, Benjamin Wright, 2000-01-01 Annotation New edition of a study of the law of electronic commerce which requires the simultaneous management of business technology and legal issues Winn law Southern Methodist U and Wright a business lawyer in Dallas present 21 chapters that discuss introductory material such as business and technologies of e commerce getting online jurisdiction and choice of law issues and electronic commerce and law practice contracting electronic payments and lending intellectual property rights and rights in data regulation of e business markets and business administration Presented in a three ring binder Annotation c Book News Inc Portland OR booknews com Nominations of Stewart A. Baker and Julie L. Myers , **Nominations of Stewart A. Baker and Julie L. Myers** United States. Congress. Senate. Committee on Homeland Security and Governmental Affairs, 2006 **E-Commerce: Law and Jurisdiction: Comparative Law Yearbook of International Business - Special** Dennis Campbell, 2003-02-01 The special issue of the Comparative Law Yearbook of International Business deals with the very topical subject of e commerce This is an area that has seen an explosion of interest in recent years but since the increase in the use of the Internet as a vehicle for conducting business transactions has been so rapid the law has again fallen behind particularly in the areas of regulation and jurisdiction The situation is changing however with the introduction of both national and international legislation dealing with issues and relating to inter alia data protection privacy electronic signatures consumer protection and morality The authors in this volume provide commentaries on the most recent developments in various jurisdictions including the approach of the European Union to the problems raised by e commerce They discuss the difficulties in relation to jurisdiction arising from the global nature of Internet and the possibilities for dispute resolution between multi national parties to an electronic transaction The topic is obviously one that will require much attention in the coming years and one which will need strict regulation if electronic commerce is destined to become the trading medium of the future *The Crypto Controversy: A Key Conflict in the Information Society* Bert-Jaap Koops, 1999-01-01 Cryptography is essential for information security and electronic commerce yet it can also be abused by criminals to thwart police wiretaps and computer searches How should governments address this conflict of interests Will they require people to deposit crypto keys with a trusted agent Will governments outlaw cryptography that does not provide for law enforcement access This is not yet another study of the crypto controversy to conclude that this or that interest is paramount This is not a study commissioned by a government nor is it a report that campaigns on the electronic frontier The Crypto Controversy is neither a cryptography handbook nor a book drenched in legal jargon The Crypto Controversy pays attention to the reasoning of both privacy

activists and law enforcement agencies to the particulars of technology as well as of law to solutions offered both by cryptographers and by governments Koops proposes a method to balance the conflicting interests and applies this to the Dutch situation explaining both technical and legal issues for anyone interested in the subject **Strategies for eCommerce Success** Fazlollahi, Bijan, 2001-07-01 Annotation Examining key components and concepts in e commerce this study identifies critical factors relating to success in the global business environment It also describes the economics of e commerce and the practical issues concerning its application Specific chapters discuss privacy structure policy concerns customer loyalty trust internal audits payment mechanisms mobile communications and costs Contributors include scholars from North America Europe Saudi Arabia and China Annotation c Book News Inc Portland OR booknews com
