Spencer C. Tucker

The Lines Are Drawn Political Cartoons Of The Civil War:

The Lines are Drawn Kristen M. Smith,1999 Collects a wide range of cartoons comics and caricatures related to the Civil War Consists of Northern Southern and overseas social commentary critical to an enhanced understanding of this dark episode in American history *Lines Are Drawn -Lib* Kristen Smith,2007-03-01 The Lines Are Drawn Political Cartoons of the Civil War Edited by Kristen Smith Foreword by Emory M Thomas The Lines Are Drawn collects for the first time a wide range of cartoons comics and caricatures related to the Civil War Arranged chronologically with full captions to provide historical context this collection of Northern Southern and overseas social commentary is critical to an enhanced understanding of this dark episode in American history Included are 138 illustrations from Harper s Vanity Fair Southern Illustrated News New York Illustrated News London Punch as well as from printing houses such as Currier Ives Artists include Thomas Nast Frank Bellew Adalbert Johann Volck Louis Maurer Joseph Keppler and many others **Civil War Journalism** Ford Risley,2012-09-18 This book examines newspapers magazines photographs illustrations and editorial cartoons to tell the important story of journalism documenting its role during the Civil War as well as the impact of the war on the press Civil War Journalism presents a unique synthesis of the journalism of both the North and South during the war It features a compelling cast of characters including editors Horace Greeley and John M Daniel correspondents George Smalley and Peter W Alexander photographers Mathew Brady and Alexander Gardner and illustrators Alfred Waud and Thomas Nast Written to appeal to those interested in the Civil War in general and in journalism specifically as well as general readers the work provides an introductory overview of journalism in the North and South on the eve of the Civil War The following chapters examine reporting during the war editorializing about the war photographing and illustrating the war censorship and government relations and the impact of the war on the press **Political cartoons and the Israeli-Palestinian conflict** Ilan Danjoux,2018-07-30 Do political cartoon predict violence To answer this question Ilan Danjoux examined over 1200 Israeli and Palestinian editorial cartoons to explore whether changes in their content anticipated the outbreak of the Al Aqsa Intifada in October of 2000 Despite stark differences in political economic and social pressures a notable shift in focus style and tone accompanied the violence With numerous illustrations and detailed methodology Political Cartoons and the Israeli Palestinian Conflict provides readers an engaging introduction to cartoon analysis and a novel insight into the Israeli Palestinian conflict In a region fraught with contested realities the cartoon s ability to capture the latent fears and unspoken beliefs of these antagonists offers a refreshing perspective on how both Israelis and Palestinians perceived each other and their chances for peace on the eve of the Second Intifada **Propaganda from the American Civil War** Paul J. Springer,2019-03-07 Offering comprehensive coverage for those examining Civil War propaganda this volume provides a broad analysis of efforts by both Union and Confederate sides to influence public opinion of America s deadliest conflict This illuminating reference work contains excerpts from roughly 100 individual pieces of propaganda generated during the

American Civil War in the North and the South as well as contextual analysis to assist readers in understanding its utility importance and effect It includes written arguments staged photographs and political cartoons all of which were used to advance one side s objectives while undermining the enemy s This helps readers to understand the underlying arguments of each side as well as the willingness of each to distort the truth for political military or economic advantage This book is organized chronologically allowing readers to understand how propaganda developed and expanded throughout the war It includes a chapter dedicated to each of the war years 1861 1865 an antebellum chapter and a postwar chapter Each document comprised in the volume includes an analysis of the significance and effectiveness of the piece and guides readers to examine it with a critical eye The original source documents remain in their original verbiage including common spelling errors and other interesting aspects of 19th century communication **Lines of Contention** J. G. Lewin,P.J.

Huff,2007-11-13 The political turmoil of the Civil War Era has been analyzed many times but one area of this period s history is often overlooked a large body of humorous clever and scathing editorial cartoons from publications such as Harper s Weekly Vanity Fair Punch and Leslie s Illustrated In Lines of Contention the best of these cartoons has finally been collected into one place to illuminate the social political and cultural climate of Civil War Era America The cartoons have been pulled from both sides of the fence and provide insight into the incidents and opinions surrounding the war as well as the mind sets and actions of all the major figures Lines of Contention presents a unique history of the Civil War and its participants

American Civil War Spencer C. Tucker,2013-09-30 This expansive multivolume reference work provides a broad multidisciplinary examination of the Civil War period ranging from pre Civil War developments and catalysts such as the Mexican American War to the rebuilding of the war torn nation during Reconstruction The Civil War was undoubtedly the most important and seminal event in 19th century American history Students who understand the Civil War have a better grasp of the central dilemmas in the American historical narrative states rights versus federalism freedom versus slavery the role of the military establishment the extent of presidential powers and individual rights versus collective rights Many of these dilemmas continue to shape modern society and politics This comprehensive work facilitates both detailed reading and quick referencing for readers from the high school level to senior scholars in the field The exhaustive coverage of this encyclopedia includes all significant battles and skirmishes important figures both civilian and military weapons government relations with Native Americans and a plethora of social political cultural military and economic developments The entries also address the many events that led to the conflict the international diplomacy of the war the rise of the Republican Party and the growing crisis and stalemate in American politics slavery and its impact on the nation as a whole the secession crisis the emergence of the total war concept and the complex challenges of the aftermath of the conflict The Scars We Carve Allison M. Johnson,2019-04-10 In The Scars We Carve Bodies and Wounds in Civil War Print Culture Allison M Johnson considers the ubiquitous images of bodies white and black male and female soldier and civilian that appear throughout

newspapers lithographs poems and other texts circulated during and in the decades immediately following the Civil War Rather than dwelling on the work of well known authors *The Scars We Carve* uncovers a powerful archive of Civil War era print culture in which the individual body and its component parts marked by violence or imbued with rhetorical power testify to the horrors of war and the lasting impact of the internecine conflict The Civil War brought about vast changes to the nation s political social racial and gender identities and Johnson argues that print culture conveyed these changes to readers through depictions of nonnormative bodies She focuses on images portrayed in the pages of newspapers and journals in the left handed writing of recent amputees who participated in penmanship contests and in the accounts of anonymous poets and storytellers Johnson reveals how allegories of the feminine body as a representation of liberty and the nation carved out a place for women in public and political realms while depictions of slaves and black soldiers justified black manhood and citizenship in the midst of sectional crisis By highlighting the extent to which the violence of the conflict marked the physical experience of American citizens as well as the geographic and symbolic bodies of the republic *The Scars We Carve* diverges from narratives of the Civil War that stress ideological abstraction showing instead that the era s print culture contains a literary and visual record of the war that is embodied and individualized

[A Press Divided](#) David B. Sachsman,2017-09-08 *A Press Divided* provides new insights regarding the sharp political divisions that existed among the newspapers of the Civil War era These newspapers were divided between North and South and also divided within the North and South These divisions reflected and exacerbated the conflicts in political thought that caused the Civil War and the political and ideological battles within the Union and the Confederacy about how to pursue the war In the North dissenting voices alarmed the Lincoln administration to such a degree that draconian measures were taken to suppress dissenting newspapers and editors while in the South the Confederate government held to its fundamental belief in freedom of speech and was more tolerant of political attacks in the press This volume consists of eighteen chapters on subjects including newspaper coverage of the rise of Lincoln press reports on George Armstrong Custer Confederate women war correspondents Civil War photojournalists newspaper coverage of the Emancipation Proclamation and the suppression of the dissident press This book tells the story of a divided press before and during the Civil War discussing the roles played by newspapers in splitting the nation newspaper coverage of the war and the responses by the Union and Confederate administrations to press criticism
