The Battle Of Five Forks:

The Battle of Five Forks: March 31, 1865-April 1, 1865 ... John Gibb Simpson,1966 *Confederate Waterloo* Michael Joseph McCarthy,2017 *Confederate Waterloo* is the first fully researched and unbiased book length account of the Battle of Five Forks and the aftermath fought in the courts and at the bar of public opinion *Confederate Waterloo* Michael J. McCarthy,2016-12-15 Engrossing A lengthy review of the events of the final days of Robert E Lee s Army of Northern Virginia and the road to Appomattox Mark Silo author of *The 115th New York in the Civil War* The Battle of Five Forks broke the long siege of Petersburg Virginia triggered the evacuation of Richmond precipitated the Appomattox Campaign and destroyed the careers and reputations of two generals Michael J McCarthy s *Confederate Waterloo* is the first fully researched and unbiased book length account of this decisive Union victory and the aftermath fought in the courts and at the bar of public opinion When Gen Phil Sheridan s forces struck at Five Forks on April 1 the attack surprised and collapsed Gen George Pickett s Confederate command and turned General Lee s right flank An attack along the entire front the following morning broke the siege and forced the Virginia army out of its defenses and a week later into Wilmer McLean s parlor to surrender at Appomattox Despite this decisive Union success Five Forks spawned one of the most bitter and divisive controversies in the postwar army when Sheridan relieved Fifth Corps commander Gouverneur K Warren for perceived failures connected to the battle McCarthy s *Confederate Waterloo* is grounded upon extensive research and a foundation of primary sources including the meticulous records of a man driven to restore his honor in the eyes of his colleagues his family and the American public The result is a fresh and dispassionate analysis that may cause students of the Civil War to reassess their views about some of the Union s leading generals A detailed scholarly analysis of one of the final battles of the American Civil War A studious unbiased account of the entire affair Midwest Book Review *Battle of Five Forks* Edwin C. Bearss,Chris Calkins,1985 Series centers on the battles leaders cities and significant events associated with the history of the Civil War in Virginia This volume details the battle of Five Forks part of the Appomattox Campaign *The Battle of Five Forks in Civil War Historiography* Michael Joseph McCarthy,2010 *Plan of the Battle of Five Forks Virginia. Fought Sunday April 1st 1865. [map]* , *Five Forks* Robert Alexander,2003-04-30 The Battle of Five Forks was one of the the last battles of the American Civil War A week later Lee surrendered Two weeks later Lincoln was dead In this meditation on that battle Alexander juxtaposes the story of the battle which he tells through narrative letters and journal entries with his own impressions viewing the South through Northern eyes In addition he views contemporary American society through the story of the Civil War and specifically through the story of Five Forks If it is true that we meet our past coming to us out of the future then Alexander posits America is still grappling with issues unresolved by the Civil War Those issues are not just the obvious ones of race and class or of North vs South but also the more ephemeral issues surrounding the mythos Americans live by Alexander is not a historian and this is much more a literary work than a battle story However the immediacy with

which Alexander tells his tale leads the reader to experience Five Forks the land the smells the cries as if present there in 1865 Thus he does not just describe a battle he captures the spirit of all battles all wars *Five Forks* Robert Alexander, 2003-04-30 Robert Alexander's *Five Forks* is a splendid and intriguing study of the South's Waterloo I can't recommend too highly this book that so clearly belongs in anyone's permanent Civil War collection The prose is improbably lucid and lovely Jim Harrison author of *Legends of the Fall* The War of the Rebellion: Formal reports, both Union and Confederate, of the first seizures of United States property in the Southern States (53 v. in 111) United States. War Department, 1880 Series I Contains the formal reports both Union and Confederate of the first seizures of United States property in the Southern States and of all military operations in the field with the correspondence orders and returns relating specially thereto and as proposed is to be accompanied by an Atlas In this series the reports will be arranged according to the campaigns and several theaters of operations in the chronological order of the events and the Union reports of any event will as a rule be immediately followed by the Confederate accounts The correspondence etc not embraced in the reports proper will follow first Union and next Confederate in chronological order Volume XIV 1885 Vol 14 Chap 26 Chapter XXVI Operations on the coasts of South Carolina Georgia and Middle and East Florida Apr 12 1862 Jun 11 1863 The War of the Rebellion: v. 1-53 [serial no. 1-111] Formal reports, both Union and Confederate, of the first seizures of United States property in the southern states, and of all military operations in the field, with the correspondence, order and returns relating specially thereto. 1880-1898. 111 v United States. War Department, 1894 Official records produced by the armies of the United States and the Confederacy and the executive branches of their respective governments concerning the military operations of the Civil War and prisoners of war or prisoners of state Also annual reports of military departments calls for troops correspondence between national and state governments correspondence between Union and Confederate officials The final volume includes a synopsis general index special index for various military divisions and background information on how these documents were collected and published Accompanied by an atlas
