The Beaded Watchband:

The Beaded Watchband Book Wendy Simpson Conner, 1996 Beadwork is one of the oldest and most global artforms. Considered the most enduring style of self beautification, people have been adorning themselves with beads since prehistoric times. Today's beadwork is considered an exciting genre of art; many people are rediscovering the unlimited possibilities when it comes to beads. The author of this series, Wendy Simpson Conner, is a third-generation bead artist; her grandmother designed beaded gowns and jewelry for Anna Held, wife of Flo Ziegfeld, and the Ziegfeld Follies. Both beginning enthusiasts and accomplished bead artists will delight in this series of books. They are rich with thousands of illustrations and photographs and very comprehensive sections with step-by-step instructions for hundreds of projects. The Beaded Watchband Book makes you wish you owned more watches. The clever and beautiful patterns give you an entire wardrobe of watchbands. The author's writing style is very easy to understand, and the step-by-step diagrams and many photographs make these books easy to get hooked on. The photographs are beautiful, full-color celebrations of fabulous beaded art that the reader can very easily make. This series is very inspirational and considered the most popular beading books on the market today. A must have for beginners and pros.
