The Beasts of Eschatology and Related Subjects Frank R. Ballard, 2002 *The Power of the Beast* Ronald G. Berry, 2010-09 The Power of the Beast is a commentary on the book of Revelation It ties to Daniel and numerous Old and New Testament books related to eschatology The book discusses such subjects as the meaning of 666 the Mark of the beast the anti christ and other things pertinent to studies of prophecy Anyone interested in the future should read this book

Biblical Eschatology, Second Edition Jonathan Menn, 2018-03-07 Biblical Eschatology provides what is not found in any other single volume on eschatology it analyzes all the major eschatological passages including the Olivet Discourse and the book of Revelation issues including the second coming of Christ the millennium the rapture and Antichrist and positions including all the major views of the millennium in a clear but not superficial way The book concludes with a chapter showing how eschatology is relevant for our lives Biblical Eschatology makes understanding eschatology easier by including chapters on how to interpret prophecy and apocalyptic literature by showing the history of eschatological thought and by placing eschatology in the context of the Bible s overall story line and structure Clarity and understanding are enhanced by the use of comparative tables and appendices Subject and Scripture indexes are included The book interacts with the best of Evangelical and Reformed scholarship and the extensive bibliography which includes the web addresses of many online resources provides an excellent source for the reader s further study This is a perfect resource for intelligent Christians including pastors students and teachers who desire to understand eschatology and to see how it fits together with the rest of the Bible

Things to Come J. Dwight Pentecost, 2010-05-11 A comprehensive and accessible study of eschatology for anyone interested in the important subject of biblical prophecy The Bible and its revelation about Jesus Christ s return is the one source of hope and confidence for the future in these dark days Approximately one fourth of the Bible was prophetic at the time it was written meaning that a greater body of Scripture is devoted to the unfolding of God s plan than any other one subject God the architect of the ages has seen fit to take us into His confidence concerning His great design But until Things To Come was published the treatment of biblical prophecy had been mainly either apologetic or expository with prophetic themes being developed individually apart from their relation to the whole revealed prophetic program This methodology produces fragmentary and unrelated knowledge of the subject In this monumental classic Dr Dwight Pentecost has synthesized the whole field of prophecy into a unified biblical doctrine a systematic and complete biblical eschatology He deftly handles many controversial topics including a detailed presentation of premillennial eschatology With nearly a quarter of a million copies sold Things to Come has earned its place in the library of the pastor the scholar and the seminarian or Bible institute student

The Beast Jonathan P. Leonard, 2014 The identity of the Beast rising out of the sea in Revelation 13 is a hotly debated topic Some believe the Beast has come already while others believe that he is alive today waiting to take his position of power One of the key passages cited by all groups is in Revelation 13 1 8 18 Yet the imagery of the book of

Revelation has opened it to misinterpretation by modern day interpreters who are unfamiliar with the apocalyptic literary genre Jonathan Leonard explains the meaning of the Beast of Revelation 13 1 8 18 in its first century context and its relevance to members of the early church The imagery of the Beast of Revelation is not seen as instilling fear into the hearts of believers concerning the future but serves as a stinging critique of imperial power idolatry and oppression When properly viewed in its original context the unveiling of the Beast can transcend the first century and serve to strengthen the testimony of the church of Jesus Christ in the present day *Identifying the Four Beasts and the Two Witnesses* Larry T Smith, 2020-10-16 *Identifying the Four Beasts and the Two Witnesses* is the seventh in a series of teachings entitled Kingdom Eschatology Kingdom Eschatology forms the basis for Kingdom understanding The truth in this book is not a new truth but rather it is a restoration of a truth recorded in the pages of your Bible that was originally taught by Jesus and His apostles Not only does this book help show what these original apostolic teachings were but it also explains why they are so needed in our churches today It will also show you why there are hundreds of ministers who after careful study are now teaching this very message This series teaches God s doctrine of faith versus man s Dispensationalist doctrine of fear
