Sauter,2011-07 The birds nest outside my bedroom window is a true account of watching eggs in a nest which was so close I

could have touched it It was written when the family was dealing with the cancer of a loved one and his dying process Thus these birds were gifts from God to say in the moment and enjoy something for awhile each day Rear Window Jennifer O'Callaghan,2025-09-30 The definitive in depth look inside Alfred Hitchcock s Rear Window the all time classic of voyeurism paranoia and murder that became one of Hollywood s greatest achievements and turned generations of viewers into a race of Peeping Toms A must read for film buffs Hitchcock fans old and new and fans of classic movies and Hollywood insider history Before the internet and social media offered voyeuristic glimpses into the lives of others the acclaimed Master of Suspense Alfred Hitchcock exposed the dangers and delights of looking and knowing too much in his 1954 masterpiece Rear Window Widely hailed as one of the greatest films ever made it stars James Stewart and Grace Kelly at the top of their game but in an unusual gamble is shot entirely from within a Greenwich Village apartment Using this limited point of view Hitchcock forces his audience to participate in his protagonist s voyeuristic impulses and darkest obsessions a bold move in the era of the Hollywood Blacklist and restrictive Hays Code But the gamble paid off and Rear Window became a timeless classic This eye opening book goes straight to the source of Rear Window s genius by mining the original papers of Hitchcock Jimmy Stewart and Thelma Ritter revealing little known facts behind the scenes Why taking the role of Lisa Fremont was one of the toughest decisions Grace Kelly ever made How Hitchcock intertwined suspense and romance with inspiration from Ingrid Bergman How he used a topless scene to distract the censors from other scenes to which they may have objected and how Hitchcock crafted the film s unforgettable villain Lars Thorwald by modeling him on a producer he loathed the infamous David O Selznick Filled with eye catching photographs outrageous anecdotes and delicious details this exciting book pulls back the curtain on a classic thriller that s as relevant today as ever and every bit as thrilling *Exhibitors Daily Review* ,1924
