The Beeman Of Orn And Other Fanciful Tales:

The Bee-Man of Orn Frank Richard Stockton,1887 [The Bee-Man of Orn and Other Fanciful Tales](#) Frank Richard Stockton,2018-09-02 Odin s Library Classics is dedicated to bringing the world the best of humankind s literature from throughout the ages Carefully selected each work is unabridged from classic works of fiction nonfiction poetry or drama

The Bee-Man of Orn and Other Fanciful Tales Frank Richard Stockton,2016-01-12 Frank Richard Stockton was a popular 19th century American author who remains best known for writing a series of acclaimed children s fairy tales His books are still read across the world today **The Bee-Man of Orn and Other Fanciful Tales** Frank R. Stockton,1887

[The Bee-man of Orn](#) Frank R. Stockton,1887 [The Bee-Man of Orn and Other Fanciful Tales](#) R. Frank Stockton,2007-05-01 *The Bee-Man of Orn and Other Fanciful Tales* Frank Richard Stockton,2014-05-27 In the ancient country of Orn there lived an old man who was called the Bee man because his whole time was spent in the company of bees He lived in a small hut which was nothing more than an immense bee hive for these little creatures had built their honeycombs in every corner of the one room it contained on the shelves under the little table all about the rough bench on which the old man sat and even about the head board and along the sides of his low bed All day the air of the room was thick with buzzing insects but this did not interfere in any way with the old Bee man who walked in among them ate his meals and went to sleep without the slightest fear of being stung He had lived with the bees so long they had become so accustomed to him and his skin was so tough and hard that the bees no more thought of stinging him than they would of stinging a tree or a stone A swarm of bees had made their hive in a pocket of his old leathern doublet and when he put on this coat to take one of his long walks in the forest in search of wild bees nests he was very glad to have this hive with him for if he did not find any wild honey he would put his hand in his pocket and take out a piece of a comb for a luncheon The bees in his pocket worked very industriously and he was always certain of having something to eat with him wherever he went He lived principally upon honey and when he needed bread or meat he carried some fine combs to a village not far away and bartered them for other food *The Bee-Man of Orn* Frank Richard Stockton,2013-10 This is a reproduction of a book published before 1923 This book may have occasional imperfections such as missing or blurred pages poor pictures errant marks etc that were either part of the original artifact or were introduced by the scanning process We believe this work is culturally important and despite the imperfections have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide We appreciate your understanding of the imperfections in the preservation process and hope you enjoy this valuable book **The Oxford Companion to Children's Literature** Daniel Hahn,2015-03-26 The last thirty years have witnessed one of the most fertile periods in the history of children s books the flowering of imaginative illustration and writing the Harry Potter phenomenon the rise of young adult and crossover fiction and books that tackle extraordinarily difficult subjects The Oxford Companion to Children s Literature provides an indispensable and fascinating reference guide

to the world of children's literature. Its 3,500 entries cover every genre from fairy tales to chapbooks, school stories to science fiction, comics to children's hymns. Originally published in 1983, the Companion has been comprehensively revised and updated by Daniel Hahn. Over 900 new entries bring the book right up to date. A whole generation of new authors and illustrators are showcased with books like *Dogger*, *The Hunger Games* and *Twilight* making their first appearance. There are articles on developments such as manga, fan fiction and non-print publishing, and there is additional information on prizes and prizewinners. This accessible A to Z is the first place to look for information about the authors, illustrators, printers, publishers, educationalists and others who have influenced the development of children's literature, as well as the stories and characters at their centre. Written both to entertain and to instruct, the highly acclaimed Oxford Companion to Children's Literature is a reference work that no one interested in the world of children's books should be without.

The Oxford Companion to Fairy Tales Jack Zipes, 2015-09-10. In over 1,000 entries, this acclaimed Companion covers all aspects of the Western fairy tale tradition from medieval to modern, under the guidance of Professor Jack Zipes. It provides an authoritative reference source for this complex and captivating genre, exploring the tales themselves, the writers who wrote and reworked them, and the artists who illustrated them. It also covers numerous related topics such as the fairy tale and film, television, art, opera, ballet, the oral tradition, music, advertising, cartoons, fantasy literature, feminism, and stamps. First published in 2000, 130 new entries have been added to account for recent developments in the field, including J.K. Rowling and Suzanne Collins, and new articles on topics such as cognitive criticism and fairy tales, digital fairy tales, fairy tale blogs and websites, and pornography and fairy tales. The remaining entries have been revised and updated in consultation with expert contributors. This second edition contains beautifully designed feature articles highlighting countries with a strong fairy tale tradition, covering Britain and Ireland, France, Germany, Italy, Japan, North America and Canada, Portugal, Scandinavian countries, Slavic and Baltic countries, and Spain. It also includes an informative and engaging introduction by the editor, which sets the subject in its historical and literary context. A detailed and updated bibliography provides information about background literature and further reading material. In addition, the A to Z entries are accompanied by over 60 beautiful and carefully selected black and white illustrations. Already renowned in its field, the second edition of this unique work is an essential companion for anyone interested in fairy tales in literature, film, and art, and for anyone who values the tradition of storytelling.
