The Beginning A Second Look At The First Sin:

Another Look at Revelation John Tipton,2010-11-01 The Book of Revelation is the only book in the Bible that promises a blessing to those who read and hear the words of this prophecy yet our nineteenth century interpretation has caused it to be scarcely mentioned in pulpits today When it is mentioned it is only referred to as a list of horrors that must be avoided at all cost by sneaking out the back door of the secret any moment rapture I don t believe that this is the blessing that God had in mind This book is an unfolding of the keys to understanding and meaning of the signs and symbols that make up the Revelation that God has led me into through the last four decades Who would have thought that the answer to the signs and symbols in the book of Revelation are found in the Bible itself Because of the progressive nature of truth I believe that God is finally in this day unlocking the truth that has the power to change our vision and life forever This book is by no means the final word on Revelation but I pray that it will at least point us in the right direction and be the catalyst for much more illumination of the plan and purpose of God for his people I believe that any true seeker of the truth will hear the truth bell ring loud and clear as they read and hear the words of this book *Covenants of Life* K.L. Vaux,M. Stenberg,2013-03-14 The intense fervor of a Mississippi Methodist preacher the meticulous reasoning of an Oxford logician the dogged persistence of a head longshoreman the unflagging humor of a Rabelaisian satirist To have met Paul Ramsey at a lecture in a medical university a heady conference at Hastings on Hudson a congressional hearing deliberations at a church assembly or a bull session in some coffee shop was to be confronted with a gentleman of unforgettable energy insight and delight In many roles as a young instructor in religious studies at Princeton University a concerned moral theologian commenting on the ethics of the sit ins and nuclear issues an observer and dialogue partner with physicians at Georgetown and other medical centers a faithful editor and analyst of Jonathan Edwards ethical writings a trustee of the Hastings center a voluminous correspondent with others who would join to disciplined pursuit of values Paul Ramsey in all roles was indefatigable in zeal rigorous in demand and gracious in coadventuring to use one of his wonderful metaphors This volume captures a unique exchange between Paul Ramsey and his most prominent colleagues In one sense it remains a Festschrift in his honor characterized at times by a markedly informal tone **The Beginning** A. D. Bauer,2004 The Beginning addresses the inconsistencies in the traditional interpretation of the Fall in Genesis and offers a different way of understanding the biblical account while maintaining the historicity of the account and offering solutions in a theologically orthodox framework **New Beginnings** Fred Sherrod,2013-05-17 As the divinely inspired Word of God the primary purpose of the Bible is to probe the depths of the human heart more skillfully and purposefully than any surgeon could possibly imagine With this in mind my intent in New Beginnings is to follow the riveting narratives of Genesis and Acts with a primary emphasis on the devotional and inspirational elements From a Christian perspective I cannot imagine four beginnings with more historical significance than those emphasized in these two informative books 1 the creation of the world with all its living things 2 the foundation of

Israel God's chosen nation 3 the establishment of the Church the Body of Christ and the most incredible beginning of all 4 people from every walk of life being born again by the power of the gospel My personal perceptions and convictions have evolved from a background of thirty three years using the scientific method in chemical research and even longer exploring the eternal truths of the Bible as a Christian and minister I might add that the practical experiences I gained as a husband father of two girls and bivocational pastor prevent my viewpoints from being too esoteric or theoretical in nature Whether a casual reader or serious student of the Bible I hope you find New Beginnings informative if not illuminating interesting if not stirring and encouraging if not inspiring Finally if your Christian fervor needs rekindling my prayer is that these pages nourish and revitalize you like a steaming bowl of my mother's chicken soup on a cold rainy day

Sermons to the People Augustine of Hippo, 2002-10-15 A superb new translation brings the words of Augustine the preacher stirringly to life When the great Saint Augustine was called from his country home to become Bishop of Hippo in the fourth century his new responsibilities took him away from the solitude of his writing and into the glare of the public eye The author of two of the greatest works of religious literature Confessions and City of God Augustine became a shepherd to the people inspiring and enlightening them with his sermons His skills as a speaker were as great if not greater than his skills as a writer According to his friend Possidius Those who read what Augustine wrote on the divine topics do get something out of them But those who saw and heard him in person they were the ones who got heaven and Earth Sermons to the People collects the homilies on the liturgical seasons of the Church Saint Augustine delivered over the course of his lifetime This Image edition includes the first sermons in that vast collection from Advent Christmas New Year's and the Epiphany Newly translated by William Griffin they address timeless concerns including the problems of materialism and the intellectual difficulties of faith Griffin renders the sermons with such immediacy it is as though he had been present when Augustine spoke to his flock

Torah Story, Second Edition Gary Edward Schnittjer, 2023-04-18 The gospel story begins in Torah What culminates at Golgotha starts with the rebellion in the garden The Torah's story can be framed as a question How will the word of God overcome the human revolution Torah Story offers a student friendly introduction to the redemptive narrative housed in the first five books of the Bible Every main chapter introduces a section of Torah with attention to its basic structure This is followed by another look at how this portion of Torah connects to the rest of the Christian Bible The dynamic design includes opportunities in every chapter to make the most of Torah study including Helps for getting started focus questions key terms outline An interactive workshop with challenge questions and advanced questions Suggestions for research projects Next steps for further study A refreshingly new approach to the Torah neither an introduction nor a commentary Torah Story provides an apprenticeship on the Old Testament's first five books But it also provides a model of how to read Scripture intertextually with an eye to the New Testament gospels It leaves no doubt as to the overarching unity of the message and composition of the Pentateuch The second edition is streamlined and simplified throughout with updated examples and new sidebars and

imagery *The Levels A Believer Can Climb In the Holy Ghost* Elder William D Holmes, 2025-01-31 This Book encourages all believers in Christ that the Holy Ghost is more than just talking in an unknown tongue The Holy Ghost does more than to make you dance and sing praises unto God After you receive the blessed gift of the Holy Ghost and fire there are levels you can climb into It explains the different levels where a believer can gain power with God to perform miracles and pray the powerful prayer of faith that bodies can be healed of sickness and diseases through the mighty name of Jesus We will talk about how the Holy Ghost deals with the different generations The outpouring of the Holy Ghost on Azusa Street The history of the church after Azusa Street and the power of the Holy Ghost at work to destroy the works of the devil We will explain how we can gain power to live in this world free from sin through the power of the Holy Ghost Fire There is so much information in this book that will keep you reading This book is geared to help all Christians to climb higher in the Holy Ghost to be strong soldiers in the army of the Lord

Through the Bible Zac Poonen, 2016-06-01 This monumental work of 1024 pages is a result of Zac Poonen s personal walk with God and his personal study of the Bible for over 50 years This is NOT a theological study but a Life application study Before studying God s Word we must understand why God gave it to us It is possible to study the Bible for the wrong reasons and I think a lot of Christians do just that We must study the Scriptures for the same purpose that God gave it When I was considering this study through the whole Bible and was trying to look into the heart of God the verse that came to my mind was God so loved the world that He gave His Son that whoever believes in Him should never perish John 3 16 The primary purpose with which God gave us the Scriptures was that all people might know that He loves them so intensely that He sent His Son to save them from the grip of sin and bring them into fellowship with Him In God s heart there is a great desire that no one should be ruined by sin and perish This commentary on all 66 books of the Bible shows that every single book of the Bible is interesting and has a message for us today It deals with key aspects of the Christian life and speaks more to the heart than to the head Let us keep that in mind as we study God s Word Even if there are matters in the Word that we cannot fully understand let us pray Lord we want to understand Your heart even if we don t understand the meaning of everything in Your Word We must pray as we study the Scriptures that we will understand what is in the heart of God We can get so taken up with little details as we study that we miss seeing the heart of God God reveals His heart in His word But God s purpose does not stop there just like the construction of a building does not stop with laying the foundation We read in 2 Timothy 3 16 17 God breathed into this book exactly as He breathed into Adam If God had not breathed into Adam Adam would have been just a pile of dust and any book that God has not breathed into is also a pile of dust God s Word has been given to us To teach us to show us the right path To reprove us and rebuke us We need strong rebukes to be preserved in the pathway of godliness To correct us when we go astray to direct us into the right path To train us in righteousness It is a training manual So we see that God s Word has been given to us to change our character so that we can become godly men and women The ultimate goal is that the man of God may be adequate perfect

and complete Like a glass of water filled to the brim our character is to be rounded off balanced and complete We are to be anointed and equipped to serve God so that we can do every good work that God has planned for us That is the purpose of Scripture So if you study the Bible you must study it for these reasons The truths that God reveals in His Word can never be boring because Jesus is never be boring If we walk with our Lord and listen to Him our hearts will burn within us because we will see the glory of Christ in the Word **Just Say the Word!** G. Robert Jacks,1996 Over the years I've heard some wonderful sermons writes G Robert Jacks I've also heard some duds Some have been so extemporaneous they sounded as if the preacher hadn't prepared anything Some have been such wondrously crafted literary pieces they sounded as if the preacher wanted to sound wondrously crafted and literary Some have sounded as though the preacher were giving a lecture or reading a term paper That's because the preacher had written a lecture or term paper And some have captured the attention and the imagination and set the spark to ignite faith in the hearer That's because they were written to be listened to and to appeal to the sense world of the hearers Drawing on nearly thirty years of experience in critiquing sermon delivery Jacks here offers a practical hands on approach to writing sermons that consider listeners first Jacks gives samples and examples of writing that effectively captures and holds an audience's attention and he offers practical tips and suggestions intended to help each of us find a preaching style and voice of our own He also shows how to translate the jargon of theological textbooks into everyday language suggests methods for rewriting sermons to avoid some of the pomposity of sermonic proclamation and demonstrates ways to retell biblical narratives in fresh and imaginative ways Just Say the Word Writing for the Ear is a valuable resource that will help pastors and lay leaders communicate as effectively as possible the faith that is ours to share *The Pattern of Catechistical Doctrine at large: or a learned and pious Exposition of the Ten Commandments, etc. A rearrangement of "The Morall Law expounded."* Lancelot Andrewes,1675
