The Believers Conditional Security:

The Believer's Conditional Security Daniel D. Corner, 1997-08-01 **The Believer's Conditional Security** Dan Corner, 2021-03-17 **Eternal Security** Lloyd A. Olson, 2007-11 This book is a must read for three reasons First no other book can compare It is the most comprehensive work affirming Eternal Security in the history of Christendom Second Dr Olson uses his experience gained as a Lutheran pastor and evangelist to compare the arguments for and against eternal security side by side Third critical aspects of theology underlying Eternal Security that are customarily overlooked or avoided are integrated into each passage as a Theological Tidbit **WHAT IS SALVATION?: A Biblical Study of God's Greatest Gift** Bill Parker, 2014-02 The idea for What is Salvation came as a result of a real concern over the ignorance of so many people today who claim to be saved but who do not understand the truths and realities of salvation as set forth in the Bible Pastor Parker began this as a series of messages preached at Thirteenth Street Baptist Church where he currently pastors and it developed into a comprehensive study and overview of this great and glorious subject as revealed in God's Holy Word It is written in simple and precise language so that any serious Bible student can glean from its pages without getting bogged down in lofty theological platitudes It will be helpful as a guide for those who desire to go further and deeper in their study of God's Word and also as an aid to ministers students and study groups all who seriously desire to study and find answers from God's Word **Life in the Son** Robert Shank, 2024-06-18 A deep study on the doctrine of eternal security Does one moment of faith secure a person's eternal destiny with God even if that person later stops following and trusting in Jesus Or does a person have to keep on trusting and following Jesus to remain in a saving relationship with God Now expanded with new chapters and research this landmark book continues to offer one of the most penetrating studies on the controversial doctrine of eternal security perseverance and apostasy in the New Testament Calling into question the popular once saved always saved belief internationally respected pastor and scholar Dr Robert Shank reveals that the question we should be asking is not Is the believer secure but rather What does it mean to be a believer Straightforward thorough and grounded in biblical understanding this book warns Christians about dangers that could potentially lead a believer to become an unbeliever falling away from faith and share in the unbeliever's eternal condemnation **Across the Spectrum** Gregory A. Boyd, Paul Rhodes Eddy, 2022-08-16 This accessible yet comprehensive primer helps readers understand the breadth of viewpoints on major issues in evangelical theology with chapters using the popular multiple views format This third edition of a well received textbook over 60 000 copies sold has been updated and revised throughout It examines positions taken by evangelical scholars on seventeen seminal issues In addition it offers end of chapter For Further Reading sections an extensive glossary and an appendix that addresses contrasting views on fifteen additional issues in contemporary evangelicalism Eternal Security Of The Believer - H.A. love of Christ H A Ironside was an able Bible teacher whose gift was to make God's Word easy to understand In this book he looks at the controversial subject which has divided Christians can believers be lost or are they eternally secure He looks at the difficult Bible verses and also presents the positive teaching that once a person is saved he or she is saved forever

Salvation Reveals the Believer's Security Kenny R. Medlin, 2011-07-01 A self study guide and commentary reviewing the Eternal Security and Conditional Security of the Believer The book takes a pathway from the time before the beginning through the Old and New Testament of the Bible examining the whole context of the Bible in conjunction with individual verses Emphasis is on prayer and meditation as the reader is provided the scripture plus personal commentary thus allowing the reader to conclude their own belief regarding their soul's security with God The core of this study will begin by understanding God's desire for his friendship with Adam and the results when Adam chose to not honor that friendship The Bible in its entirety is the recorded history of all the events that transpired as God through Christ prepared a pathway that would allow mankind to regain their friendship with God The focus will be directed at the whole of the matter instead of simple comparison of individual verses done in order to bring the context of the verse into harmony with the entire Bible In completing this task the pathway established by Christ to obtain harmony will God should enlighten your heart to the

knowledge of the truth This is a semi chronological presentation of the scripture for personal edification and knowledge of the Believer We will even tackle the subject of Judas Iscariot was he saved and fell from Grace never saved at all or is there another conclusion to consider Remember all verses and passages present a truth but our interpretation of one must harmonize with the whole Bible or our conclusion is incorrect If you stare at a Tree you will miss the glory of the Forest but we need not understand the Forest completely as the pathway leads to our desired destination regardless of our understanding
