The Best Little Boy In The World Grows Up:

The Best Little Boy in the World Grows Up Andrew Tobias, 2010-09-22 John Reid's *The Best Little Boy in the World* was hailed as a classic memoir of growing up gay in a straight world. But John Reid didn't write it. Years would pass before the writer could reveal his true identity as Andrew Tobias, America's bestselling financial guru, author of *The Only Investment Guide You'll Ever Need*. Now, twenty-five years later, Tobias, proud to use his real name, brings his remarkable life story up to date. Writing with his customary charm and frank humor, Tobias tells of love affairs and heartbreak, hot New York parties and tough political battles, the excitement of genuine social change and the tragedy of seeing dear friends die young. Here too are the unforgettable scenes of Tobias revealing his sexual orientation not only to his parents but to the president of the United States. The author is an irresistible companion as he shares with us his proud stories, embarrassing confessions, and hilarious musings on the homosexual lifestyle. Witty, heartfelt, and wonderfully affirming in every sense, this is Andrew Tobias's finest book to date.

Lesbigay Guide to Selecting the Best-Fit College or University and Enjoying the College Years Donald W.

Hinrichs, 2007-05-15 My brother wrote this book based on his own experiences and the experiences of hundreds of lesbian, gay, bisexual, and transgender students he counseled, talked to, and interviewed over the course of his 40-year teaching career. The confusion he experienced during college and the distress and intolerance he witnessed and heard about from students lead him to realize that some college and university environments are simply not healthy places for LGBT young people to learn and grow and to sort out their own sexuality. This book documents the problems LGBT students might encounter on campus and provides advice on how LGBT students can select the best-fit college or university for them. Bill Hinrichs
