The Best Of Crossroads:

Crossroads Robert Fisher, 2015-07-29 At an early age Alex MacMillan was taught by his mother that the journey through life would be filled with crossroads At each of them he must carefully look in both directions before selecting the path to take His decisions would not always be easy What she didnt mention was that some of his choices could lead to danger He had to learn that the hard way World War Two was not a conducive environment in which to make obviously correct decisions and Alex would find more than his fair share of difficulty Technically he was overqualified for the mission he was given Technically but not mentally he had great fear of the location and with good reason the jungles of Malaya were occupied by more than enemy Japanese and some of the inhabitants were decidedly deadly Throughout his mission the words of the intelligence officer who sent him there continually resounded in his ears Trust no one and never never turn your back on anyone *crossroads* , *Aspen Crossroads* Janine Rosche, 2021-08-24 To protect those most vulnerable Haven Haviland must trust her heart and her regrets to a mysterious newcomer in this moving contemporary romance Few in the community of Whisper Canyon have actually met Jace Daring a handsome recluse who lives at Aspen Crossroads the farm at the edge of town But that doesn't stop the rumors about the multiple women who live with him He must protect the truth that his farm to table restaurant will provide new livelihoods for women rescued from human trafficking or he risks the safety and futures of those relying on him But he can't do it alone Haven Haviland has always been everyone's safe place to fall until one mistake closes her counseling practice and leaves her open to the town's gossip Trusting men has gotten her in trouble before However accepting Jace's job offer to mentor the rescued women seems like the perfect way to right her wrongs When the mayor's campaign to clean up Whisper Canyon targets Aspen Crossroads the restaurant comes under fire dangers from the women's pasts are awakened and Haven's sins are exposed for all to see Jace would sacrifice himself to save Haven and the women under his care but his efforts might not be enough And in the end it might not be the women most in need of saving after all

God at the Crossroads of Worldviews Paul Seungoh Chung, 2016-10-22 Debates about the existence of God persist but remain at an impasse between opposing answers God at the Crossroads of Worldviews reframes the debate from a new perspective characterizing the way these positions have been defined and defended not as wrong per se but rather as odd or awkward Paul Chung begins with a general survey of the philosophical debate regarding the existence of God particularly as the first cause and how this involves a bewildering array of often incommensurable positions that differ on the meaning of key concepts criteria of justification and even on where to start the discussion According to Chung these positions are in fact arguments both from and against larger more comprehensive intellectual positions which in turn comprise a set of rival worldviews Moreover there is no neutral rationality completely independent of these worldviews and capable of resolving complex intellectual questions such as that of the existence of God Building from Alasdair MacIntyre's writings on rival intellectual traditions Chung proposes that to argue about God we must first stand at the crossroads of the

different intellectual journeys of the particular rival worldviews in the debate and that the discovery of such a crossroad itself constitutes an argument about the existence of God Chung argues that this is what Thomas Aquinas accomplished in his Five Ways which are often misunderstood as simple proofs From such crossroads the debate may proceed toward a more fruitful exploration of the question of God s existence Chung sketches out one such crossroad by suggesting ways in which Christianity and scientific naturalism can begin a mutual dialogue from a different direction God at the Crossroads of Worldviews will be read by philosophers of religion advanced undergraduate and graduate students and theologians and general readers interested in the new atheism debates The Crossroads John D. MacDonald,2013-06-11 The Crossroads one of many classic novels from crime writer John D MacDonald the beloved author of Cape Fear and the Travis McGee series is now available as an eBook Along a major commercial strip one family has built its fortune on blood sweat and tears and that makes them a target More than half a century ago Papa Drovek opened his small grocery store at the junction of two country roads As he bought more and more land the roads became highways and now the Droveks own a complex of hotels restaurants a truck stop a shopping center and two gas stations Papa s eldest son Charles is president of the Crossroads Corporation son Leo enjoys his token job and daughter Joan manages the commercial tenants leases But when younger son Pete s wife gets restless and lonely she becomes an easy pawn in a sleazy scheme of robbery and murder The target Old Papa Drovek himself Features a new Introduction by Dean Koontz Praise for John D MacDonald The great entertainer of our age and a mesmerizing storyteller Stephen King My favorite novelist of all time Dean Koontz To diggers a thousand years from now the works of John D MacDonald would be a treasure on the order of the tomb of Tutankhamen Kurt Vonnegut A master storyteller a masterful suspense writer John D MacDonald is a shining example for all of us in the field Talk about the best Mary Higgins Clark *Llewellyn's 2016 Magical Almanac* Llewellyn,2015-09-01 Llewellyn s Magical Almanac has been inspiring all levels of magical practitioners for over twenty years Filled with practical spells rituals and fresh ideas you ll find new ways to deepen your craft and enhance everyday life This edition features nearly three dozen compelling articles grouped by element on elemental angels quick sabbat acknowledgements instead of full rituals copper energy rods gem elixirs vision boards to transform energy bubble magic the magic of twin souls photos for magical manifestation and much more Also included is a handy calendar section shaded for easy flip to reference featuring world festivals holidays and 2016 Sabbats You ll also find astrological info plus incense and color correspondences to empower your magical work *At the Crossroads* Rebecca Jones,2019 Shortlisted for the SAUK Fage Oliver Prize 2020 Honorable Mention for the ALA First Book Award Scholarship 2021 A path breaking contribution to the critical literature on African travel writing **Oxford at the Crossroads** Percy Gardner,1903 **Choctaws at the Crossroads** Sandra Faiman-Silva,2000-06-01 Choctaws at the Crossroads examines the political economy of the Choctaws at the end of the twentieth century Forcibly relocated in the 1830s from the lower Mississippi Valley to the southeastern corner of Indian Territory the Choctaws today are a dynamic and

complex rural ethnic community in Oklahoma Many work as nonunionized laborers for large corporations yet they seek to maintain some aspects of their traditional way of life Combining fieldwork and archival research Sandra Faiman Silva uncovers the processes by which the local economic and social practices of the Choctaws have become intertwined with and in some respects dependent on corporate and global economic forces Low wages and often temporary work force the Choctaws to supplement their income through tribal economic assistance and through traditional practices of horticulture fishing craft production canning and residence sharing Faiman Silva finds a troubling paradox in this strategy Such traditional economic activities are central to Choctaw identity and way of life and are outside the non Indian controlled capitalist system at the same time these practices help sustain the power and profits of corporations This sensitive and theoretically informed study makes an important contribution to understanding the historic economic and social conditions of contemporary Native Americas

Crossroads of the Worlds.Earthly passions Victoria Socolova,2014-12-28 This book is based on the hypnosis sessions data Actual data Quite mysteriously the archive of a self taught hypnotist from the seventies of the previous century passed into the hands of my friend a certified therapist who applies the progressive hypnosis techniques And even more surprising was that the twenty five years old records were kept for more than eight years whereas it was relatively recently that the past life regressions were conducted in our country
