The Bible Doctrine Of Final Things:

The Bible Doctrine of Final Things Robert R. Taylor, 1977 *EXPLAINING the DOCTRINE of LAST THINGS* Edward D. Andrews, 2016-03-15 Eschatology is the teaching of what is commonly called the Last Things That is the subject of Andrews book which will cover Explaining Prophecy Explaining Clean and Pure Worship The New Testament Writers Use of the Old Testament Explaining the Antichrist Explaining the Man of Lawlessness Explaining the Mark of the Beast Explaining Signs of the End of the Age Explaining the Rapture Explaining the Great Tribulation Explaining Armageddon Explaining the Resurrection Hope Explaining the Millennium Explaining the Final Judgment Explaining the Unevangelized Explaining Hell

"In the End, God" John A T Robinson, 2011-05-26 Death judgement heaven and hell these are the Four Last Things traditionally linked together under the heading of Eschatology In this book John Robinson examines them all with trenchancy and lucidity providing a new and vital understanding of how these themes relate to contemporary Christian life In the End God identifies a gap that exists in the treatment of eschatology within the Christian faith As Robinson points out eschatology had traditionally dealt with the last things in a way that is remote and removed from everyday life and Christianity and the goal of his book is to make eschatology fully relevant to the modern world Although it is commonly held that eschatology within modern Christianity is centred on the fact and moment of death Robinson shows that the true nature of eschatology is something quite different It is not about the last things after everything else but rather is about the relation of all things to the last things or as it were about the lastness of all things Revealing the foundation of biblical eschatology to be the experience of God by the community of faith Robinson calls readers to embrace the eschatological vision of the Bible but to do so in a way that is alert to its mythic character In the course of these explorations he also lays bare his own theology of universal salvation However contrary to what one may expect this universalism is one that seeks to take both human freedom and the reality of hell with the utmost seriousness This special edition of John A T Robinson s classic text also includes an extended introductory essay by Professor Trevor Hart of the University of St Andrews and an exchange between Robinson and Thomas F Torrance first published in 1949 in the Scottish Journal of Theology The Bible Doctrine of Society in Its Historical Evolution ... Charles Ryder Smith, 1920 **All the Doctrines of the Bible** Herbert Lockyer, 1964 His systemized study and analysis of the major Bible doctrines provides for readers Dr Lockyer s approach to understanding doctrines in logical sequence This method of biblical presentation can and should lead to a valuable comprehension of the Christian faith

The Great Bible Doctrines William Evans, 2023-12-17 The doctrines treated in this book are dealt with from the standpoint of Biblical rather than Dogmatic theology This is evident from the plan which is followed in the work namely to gather together all the Scripture passages dealing with the subject under consideration and from them choose a required number that may be called representative then seek to understand the meaning of these references by the study of the text itself as well as its context and parallel passages and finally from the selected proof texts formulate the doctrinal teaching

and place such results under appropriate headings The doctrines of God Jesus Christ and the Holy Spirit are more fully dealt with than the doctrines which follow This is especially true of the doctrine of God The reason for this is to set forth the method pursued in these studies and to give a pattern for the study of the doctrines to follow William Evans The Great Doctrines of the Bible **The Bible Doctrines** William Evans,2022-11-13 In The Bible Doctrines William Evans meticulously examines the core beliefs that underpin Christian theology employing a systematic approach that invites both novices and scholars into the depths of biblical doctrine The book is notable for its clarity and conciseness making complex theological ideas accessible to a broader audience Written in the early 20th century it stands as a significant contribution to evangelical scholarship engaging with contemporary theological debates while grounding its arguments in scriptural authority William Evans a prominent figure in the realm of Christian education was driven by a profound commitment to elucidate biblical truths amidst a landscape of modern skepticism His extensive background in theology and his role as an educator uniquely positioned him to bridge the gap between doctrinal intricacies and practical faith Evans scholarship reflects a deep reverence for Scripture stemming from both personal convictions and a desire to equip believers with a robust understanding of their faith For readers seeking to deepen their comprehension of essential Christian beliefs The Bible Doctrines is indispensable Whether for personal study academic inquiry or devotional enrichment Evans work invites thoughtful reflection and fosters a renewed appreciation for foundational truths of Christianity *ESCHATOLOGY* Dr. Andrea D. Keys,2025-02-06 Eschatology is the part of theology concerned with death judgment and the final destiny of the soul and of humankind Also discussed in the book is the meaning of dispensation which is a divinely appointed order a system of order government or organization of a nation community etc especially as existing at a particular time This book on eschatology will first include a minimal definition of the seven dispensations the rapture the tribulation part 1 revelations the abomination of desolations the great tribulation part 2 mark of the beast the battle of Armageddon millennium the great white throne judgment new heaven and new earth and eternity Consequently the author has attempted to place these end of time events in prophetic order and utilized a variety of sources to give insight to the reader Although there are many doctrines of eschatology this author will focus only on the set of beliefs taught through Christian eschatology Life becomes difficult for those who are not educated around technology and social media The same applies to eschatology life and beyond will become extremely arduous for those who are not educated on the devastating events that will take place during our last days on earth Eschatology The Doctrine of the Last Things will open up your understanding of the divine end of time events where Jesus Christ will ultimately reign with his saints in the New Jerusalem for all eternity According to the 1 Thessalonians 4 16 17 KJV which reads For the Lord himself shall descend from heaven with a shout with the voice of the archangel and with the trump of God and the dead in Christ shall rise first Then we which are alive and remain shall be caught up together with them in the clouds to meet the Lord in the air and so shall we ever be with the Lord Amen In the End, God - A Study

of the Christian Doctrine of the Last Thing John a. T. Robinson, 2010-11 Many of the earliest books particularly those dating back to the 1900s and before are now extremely scarce and increasingly expensive We are republishing many of these classic works in affordable high quality modern editions using the original text and artwork **The End of History: Pentecostals and a Fresh Approach to the Apocalypse** Robert P. Menzies, 2022-02-03 Many have grown tired of confusing interpretations of the book of Revelation which feature end time scenarios that either miss the mark or appear largely irrelevant to their lives A fresh approach is needed if we are to recapture the vitality of John s message and receive its desperately needed truths The End of History offers precisely this with its call for Pentecostals in general and the Assemblies of God in particular to reassess doctrinal statements rooted in a dispensational premillennial perspective In their place Menzies offers eight eschatological essentials all of which flow from a careful reading of the Apocalypse that call us to face the future with purpose and hope
