The Bible Fact Or Fantasy:

The Bible, Fact Or Fantasy? John William Drane, 1989-01-01 *The Bible, Fact, Fiction, Fantasy, Faith* Hubert N. Dukes, 1981 **Animals in Heaven- Fantasy or Reality** Arch Stanton, 2006-06-02

Animals have been with us since the state of existence or being. The bible tells us God created the animal kingdom for his pleasure. When God created the heaven and earth and all life that exist he obviously saw a need for animals or they would not be here. Why God created them in the shapes and forms as they were we do not know the choice was his and as I mentioned He chose to do so in a way that pleases him. Animals have a mind that gives them the ability to think and have feelings. Animals have a certain intelligence we do not possess such as an internal guidance system. Both dogs and cats have this ability and I would imagine there are other animals as well. God created everything with a purpose and a need. The animals kingdom is one such example. Many people believe God's purpose for animals is to serve humankind and upon death they are to perish with no possible chance for eternal life. However does the bible teach this? In the first chapter of the book of Genesis the bible tells us God considered the animals a creation that was very good he was pleased with them. Many people consider the life of an animal as having a very small worth. To them an animal just lives and dies. Many people have the attitude of so what. The bible tells us God doesn't care for an attitude such as this because he values the life of his animals very much. Throughout the entire bible the information found pertaining to the animal kingdom is very precise. The bible tells us the animals are to be forever. God had this intention when he created them and this application of thought remains today and forever. The bible never mentions mankind alone is to receive eternal life. How different would our lives be without animals. There would be no pets for those who are lonely and without family. There would be no zoos for family outings. There would be no circus acts with animals. There would be no dog as a best friend. There would be no Seeing Eye dogs. There would be no animals to alert their owners of an ever present danger during the night such as fires burglars etc. I believe we simply overlook the fact there is a purpose for all of God's creatures. The purpose for this book is to reveal the truth in what the bible tells about the animal kingdom. We need to know God's purpose for them. The bible explains in detail God's plan for his animals even after death. God wants us to know about them or he would never have emphasized their importance in his word. Many people are reluctant to discuss the animal kingdom from a biblical point of view. I find this strange to say the least. God has included them in his written word but many ministers will say very little if anything about them. The scriptures in this book are from the King James Bible. What the bible tells us is 100% accurate and lest we never forget God simply made no mistakes in his word. The bible is never contradictory. We will read scriptures that clearly explain that animals will be in heaven and why God wants them to be there with us. If we had the power to give our pet's eternal life would we want the life of our animals to be temporal? If God loves his animals more than we could ever love them shouldn't this type of love indicate his love for them is tremendous. Since we know God can give animal's eternal life could there any single reason to give them life that would be only temporary? First we should

know the bible is not dull dismal or neutral The bible is not an area between two extremes having mingled characteristics of both of them a situation in which there are no clear cut distinctions The interpretations of scriptures have been defined several ways over the years and this has cause confusion in many churches We will read scriptures about the animal kingdom that many of you may not know are in the bible We will read scriptures that are clearly stated to mean one thing and one thing only and that is Animals are to be in heaven By the time you have finished this book you will have a better understanding for the purpose of the animal kingdom You may then decide if the scriptures do indeed tell us animals have a soul do they have a spirit did God create them with a purpose in this life is he going to give them eternal life With God s help you will decide For more information please visit www.dutchman3d.com **The Intelligence Wars: Logos Versus**

Mythos Joe Dixon,2018-03-07 The most apocalyptic war of all is coming The battleground of Armageddon is being prepared The war will not be between the forces of good and evil but between the intelligent and the stupid Intelligent humanity 10% of the human race will take on Stupid humanity the remaining 90% The legions of dunces clowns idiots and Dunning Kruger fantasists will expect to use their sheer force of numbers to overwhelm the smart But they will never even see their enemy let alone engage them The smart people will be using weapons that they will deploy from thousands of miles away The dunces won t know what hit them They will be praying to their gods or meditating when they are engulfed by the Apocalypse Too late they will grasp that knowledge is power that prayers and meditation have never achieved a single worthwhile thing The Logos species have always lacked the will to beat the Mythos species Once they have the will nothing will stop them The End Game is coming It s time to choose your side Rise Of The Archangels * The Loop J. Thomas Moore,2014-04-29 A Science Fiction thriller about humankind s past present and future based on a rising group of people called The Archangels With the gift of insight passed on to The Archangels by a future peaceful generation it is their hope that the present rise can correct and fix the false religious myths that have been destroying our present world The Archangels must rise up to begin the fight against the time traveling terrorists from our future who have set out to use religion false gods and myths as their fear based weapon in our distant past in order to control the future Author s note This can be an interactive book between you and the author or simply a fun science fiction read Note each page purposely has a quarter of space for notes for other Archangels to write their dreams visions or experiences You can then send your notes to riseofthearchangels@gmail.com so the next Rise book includes other Archangels voices Models for Scripture John Goldingay,2004 Looks at the task of interpreting

Scripture as witnessing tradition authoritative canon inspired word and experienced revelation **The Transcendent Vision of Mythopoeic Fantasy** David S. Hogsette,2022-07-22 An ever expanding critical library on fantasy fiction requires an analysis of why the genre is so ubiquitous enduring and beloved This work analyzes the mythic elements in foundational fantasy texts arguing that mythopoeic fantasy reveals timeless truths that link human cultures past and present Through close readings of works like Phantastes The King of Elfland s Daughter The Fellowship of the Ring The Lion the Witch and

the Wardrobe A Wizard of Earthsea The Neverending Story A Wrinkle in Time and Out of the Silent Planet this book explores how mythopoeic fantasy speaks to the deepest concerns of the human heart It investigates the genre s use of an imagination that is sometimes atrophied by the demands of contemporary life and explores how fantasy provides restoration consolation and hope within a cultural context that too often decries such ideas Each chapter focuses on a representative text providing author background and engaging relevant scholarship on a variety of relevant thematic issues Offering new insights on these classic texts by drawing upon post secular critical approaches this work is suitable for both new and seasoned students of fantasy

Mapping Myths of Biblical Interpretation Richard Walsh,2001-03-01 Walsh explores the role that myth has played in the interpretation of the Bible He sees myth as an empowering structuring story used either for good or ill and either consciously or unconsciously controlling our world views Walsh looks for both the empowerment and the marginalization effected by myth as he follows the word through its myriad meanings Grasping Proteus its use in various disciplines Procrustean Mythographers its distinctive uses in biblical interpretation Mything the Bible and finally the mythic character of interpretation itself The Myth of Interpretation The concluding chapter Behind the Mythic Curve muses on the difficulty of knowing the myths by which we live and reflects hopefully on the possibility of play among the myriad myths in a postmodern pluralist world
