Apostle of the Last Days C. Marvin Pate, 2013-11-07 Paul's life letters and theology are unified by the theme of the overlapping of two ages this age and the age to come With the life death and resurrection of Jesus Christ the age to come i.e. kingdom of God broke into this present age but didn't end it Where other important doctrines such as justification by faith reconciliation and the cross of Christ were key players in Paul's theology Marvin Pate compellingly demonstrates that the overarching theme driving the Pauline corpus was indeed Paul's inaugurated eschatology In fact Paul's apocalyptic framework was only one of a number of other rival eschatologically focused religious perspectives of the day such as the Imperial Cult Hellenistic syncretistic religion and the merkabah Judaizers Paul's vigorous debates with the

churches he served centered on the exclusivity of the gospel of Christ that he preached the nonnegotiable apocalypse of Jesus the Messiah Apostle of the Last Days will be welcomed in the classroom as a one volume treatment of Paul's life and letters as well as his theology
