The Lawless Land Rex Mumford, 2003-10 They entered the valley harsh yet beautiful With danger around every hill Where only a fast gun and quick thinking can save a person and even then only with luck A lot of luck Rex Mumford brings to life in this western novel much of the suspense action and surprise of the traditional old west Follow the lives of those portrayed in this novel during a time when men and women wanted little more than some land and to live peacefully Yet when faced with difficult challenges they could and would meet them head on Often they were the judge and jury with little time to decide the fate of those that wronged them When someone draws on you you only have two choices be faster or die in *The Lawless Land* Brown s Hole one of the stops along the outlaw trail A beautiful valley for ranching but also a haven for those hiding from the law with no were else to run More often than not they possessed only a fast horse and even faster gun hand It was fight or die Most fought some died Two deputy marshals leaving their badges and authority behind and a girl with a different agenda all enter the valley known as Brown s Hole Two looking for answers one looking for revenge Faced with challenges and odds never before faced each will find what they are looking for and a whole lot more than they bargained for The only problem is surviving

Mercy for All Robert D. Anderson, 2023-12-20 This is a study in the interpretation of Paul with a focus on an interpretation of Romans 9 to 11 as a defense of God s faithfulness to Israel The study begins with reviews of three historical approaches to studying Paul s relationship to the Judiasm of his era the third anchoring Paul with the Judaism of his time Second Temple Judaism It then moves to an interpretation of his writings from a broad framework within that Jewish sociocultural paradigm The study suggests that Paul s letter to the Romans provides a defense of Judaism and Romans 9 to 11 provides an argument for God s faithfulness to Israel Romans 11 particularly 11 25 32 presents a picture of Israel s redemption and how gentiles relate to Israel s redemption through the mercy they have received via Israel Gentiles are seen as instrumental in the redemption of Israel Romans 11 25 32 should be read as a missional paradigm to Israel

The Vehement Jesus David J. Neville, 2017-11-13 The Vehement Jesus composes a fresh examination and interpretation of several perplexing passages in the Gospels that at face value challenge the conviction that the mission and message of Jesus were peaceful Using narrative analysis and various forms of intratextual critique in the service of a hermeneutic of shalom the author makes the case that Gospel portrayals of the vehement Jesus are compatible with perhaps even indispensable to the composite canonical portrait of Jesus as the Messiah of Peace As a result this exploration in New Testament theology and ethics makes an invaluable contribution to the
