The Leaving Morning:

The Leaving Morning Angela Johnson, 2000-09 Reprinted by arrangement with Orchard Books *The Leaving Morning* Angela Johnson, 2013-03-01 On the leaving morning a child watches for the moving men has a cup of cocoa in the deli across the street and leaves lip marks on the window of the apartment before departing for the new home **The Leaving Morning** , **The Leaving Morning** Harcourt School Publishers Staff, 1995-01 **The Leaving** Tara Altebrando, 2016-06-07 Six kindergarteners were taken Eleven years later five come back with no idea of where they've been No one remembers the sixth victim Max Avery Max's sister needs to find her brother dead or alive and isn't buying this whole memory loss story **The Leaving** Gabriella West, 2011-05-30 At 15 Cathy is an intelligent misfit living in 1980s Dublin She soon discovers that her charming older brother Stevie who's gay is falling in love with the one boy in school whom she likes Cathy struggles with her repressed unhappy family coming to terms with her attraction to her best friend Jeanette and leaving Ireland *The Leaving* is a realistic look at adolescence and first love *The Leaving Season* Kelly McMasters, 2023-05-09 One of the most beautifully written books I've ever read Kelly McMasters is a literary giant Zibby Owens Good Morning America A memoir in intimate essays navigating marriage and motherhood art and ambition grief and nostalgia and the elusive concept of home Kelly McMasters found herself in her mid-thirties living her fantasy she'd moved with her husband a painter from New York City to rural Pennsylvania where their children roamed idyllic acres in rainboots and diapers The pastoral landscape and the bookshop they opened were restorative at first for her and her marriage But soon she was quietly plotting her escape In *The Leaving Season* McMasters chronicles the heady rush of falling in love and carving out a life in the city the slow dissolution of her relationship in an isolated farmhouse and the complexities of making a new home for herself and her children as a single parent She delves into the tricky and often devastating balance between seeing and being seen loss and longing desire and doubt and the paradox of leaving what you love in order to survive Whether considering masculinity in the countryside through the life of a freemartin calf the vulnerability of new motherhood in the wake of a car crash or the power of community pulsing through an independent bookshop *The Leaving Season* finds in every ending a new beginning *The Leaving Party* Lesley Sanderson, 2020-01-31 Every year on the same day on the anniversary I receive a single black rose Thirteen years of dark petals jagged thorns dredging up memories I've tried to forget I've packed up my life All my belongings are carefully sealed in labelled boxes my suitcases ready for my big move I'm just days away from a new life abroad with my boyfriend Ben No one knows the real reason I'm desperate to leave My best friend Lena is throwing me a leaving party A celebration to say goodbye Champagne to toast my farewell Speeches full of fond memories No one knows what I'm running from Then another black rose appears dragging up thirteen years of buried memories My passport goes missing The very people I am trying to escape from turn up to our house Someone knows my secret They're in my home at my party and they're making me pay for it Psychological thrillers don't get more addictive or gasp worthy than

The Leaving Kind Kelly Jensen, 2023-09-18 Without heart there is no art Cameron has been running for years from responsibility disappointment war and loss Despite his fatigue his body and mind refuse to rest Returning home and supporting his younger brother helped until Nick proved he no longer needed Cam's care But before Cam can decide to move on again he meets someone else who could use a little help Victor is done with love He's done with men He's also done apparently with being a brilliant if temperamental artist Now he's just temperamental and would rather watch his gorgeous handyman dig in the garden than paint It doesn't take long however before Cam's face replete with stories has Victor itching to pick up a brush again If only painting people wasn't fraught with sad memories Neither plans for more than friendship but it quickly turns to sex and then feelings intense enough to send them both running Only by risking their hearts and sharing the pain of the past can they turn this love into the staying kind This is part of the Hearts Crafts series and can be read on its own but is best enjoyed as part of the series See this title's page on
