The Life And Adventures Of Daniel Boone And David Crockett:

The Life and Adventures of Colonel David Crockett of West Tennessee Michael A. Lofaro, 2023-08-18 The legendary Davy Crockett arose simultaneously with the emergence of the historical Crockett as a public figure and once established the man and the myth were forevermore entangled The present work his Life and Adventures 1833 ushered in a series of biographical and autobiographical books that thrust Crockett fully onto the national and international scene This work quickly retitled Sketches and Eccentricities was the most outlandish Its purported author J S French mixed two nineteenth century genres of storytelling the Humor of the Old Southwest and the sketch all presented within a historical framework to create an early version of the King of the Wild Frontier The Crockett encountered here is the marksman who can shoot an elk from 140 yards with his beloved rifle Betsy grin the bark off a tree knot and choose bows and arrows as weapons when challenged to a duel by a fellow congressman Within a year Crockett disavowed this book preferring his autobiography Narrative of the Life of David Crockett of the State of Tennessee but this rollicking story often bouncing along from tall tale hunting anecdote faux moral tale to humorous pratfall became a major source for the later biographical writings and a later cultural industry that swept up newspapers books political propaganda plays and films and almost every way in which a frontier figure could appear in popular culture And while Crockett s image was a source of entertainment and humor it also pointed toward something far more serious after his death at the Alamo it presented Americans with a fictional Frontier hero who progressively embodied their views on topics as varied as manliness manifest destiny and even white supremacy However the Crockett of Sketches canny adaptable intelligent but not educated hilarious was above all a perfect reflection of the aspirations interests and beliefs of Jacksonian era Americans
