The Life And Legends Of Saint Francis Of Assisi:

The Life and Legends of Saint Francis of Assisi Candide Chalippe, 2018-09-20 Reproduction of the original The Life and Legends of Saint Francis of Assisi by Candide Chalippe **The Life and Legends of Saint Francis of Assisi** Candide Chalippe, Fr Candide Chalippe O F M, 2017-11-20 The Life and Legends of St Francis of Assisi by Father Candide Chalippe O F M need no apology The work was first published at Paris in 1727 It is not only well written and reliable withal but also instructive elevating and inspiring The facts and legends mentioned are drawn from the oldest and most reliable sources The abundance of incidents and anecdotes not to be found elsewhere make the volume eminently interesting while the reflexions and applications which the author now and then interweaves with the narrative are so replete with practical hints on spiritual life that they will undoubtedly produce the best spiritual results in the reader The style though simple at times graphic is very pleasing the narrative flows on with equal ease and freedom In 1852 a priest from the Oratory of St Philip Neri made a translation into English from what was then the latest French edition This French edition came from the press in 1850 With the English translation the original work appeared in an abridged form The original work is divided into six books the English translation contains but half of these so rearranged for the sake of clearness that they form five books Most elucidations of the original work regarding characteristics of St Francis events and dates that are doubtful are omitted likewise most of the writings of St Francis The former were and still are undergoing changes owing to new historical researches and discoveries made by students of Franciscan sources while the latter were but lately again newly translated into English and edited as completely as possible with many critical notes and references of great value by the scholarly Father Paschal Robinson O F M The Writings of St Francis of Assisi by Father Paschal Robinson O F M The Dolphin Press 1906 The marvellous progress the Third Order of St Francis is making in this country causes the story of the life of St Francis that is herewith presented to the public in a newly revised edition to be especially welcome For all Tertiaries know that mere devotion to St Francis is of itself not sufficient to acquire the spirit of their Seraphic Father all are aware that membership in the Third Order does not necessarily argue the possession of this spirit and yet every real Tertiary desires nothing more than to acquire the poor humble loving spirit of St Francis This spirit can scarcely be acquired unless the life of St Francis be well known meditated upon and imitated as far as practicable The Life and Legends of St Francis of Assisi by Father Candide Chalippe O F M is peculiarly adapted to help Tertiaries to perform this task the spirit of St Francis breathes in every page Not once but several times may Tertiaries read this book to great advantage With every reading new items of interest will be discovered new lessons will present themselves to be learnt new inspirations will be imparted to the soul from above The more this book is read the more it will be loved the more it is studied the more it will be admired For Tertiaries a book of this kind is a necessity it is as necessary for them as a text book is for a scholar May this wonderful work spread in the future even more rapidly than before may it receive the hearty welcome it deserves among the innumerable Tertiaries and clients of St Francis

of Assisi and be to them a sure guide to God's abundant graces in this world and to life everlasting in the next **The Life and Legends of Saint Francis of Assisi** Father Candide Chalippe, 2003-05-01 *The Life and Legends of Saint Francis of Assisi* St Francis of Assisi, Father Candide Chalippe, 2015-11-19 Alongside St Ignatius who founded the Jesuits St Francis of Assisi is widely regarded as one of the most venerated saints in the Catholic Church due to his work establishing religious Orders that have done an incalculable amount of good and service for societies Like St Ignatius St Francis also got his start as a soldier who experienced a vision that put him on a more divine path St Francis eventually became a pillar of the Church both living in poverty to assist those in greatest need and in establishing the Franciscan Order the Order of Poor Clares an enclosed order for women and the Third Order of Brothers and Sisters of Penance Near the end of his life he became the first person recorded in history to bear the stigmata the Passion wounds that Christ suffered in crucifixion which only added to his ultimate aura and legacy To say that the writings of St Francis reflect his personality and his spirit is but another way of saying that they are at once formidably mystic and exquisitely human that they combine great elevation of thought with much picturesqueness of expression This twofold element which found its development later on in the prose of mystics like St Bonaventure and in the verse of poets like Jacopone da Todi and which has ever been a marked characteristic of Franciscan ascetic literature leads back to the writings of the Founder as to the humble upper waters of a mighty stream St Francis had the soul of an ascetic and the heart of a poet His unbounded faith had an almost lyric sweetness about it his deep sense of the spiritual is often clothed with the character of romance This intimate union of the supernatural and the natural is nowhere more strikingly manifested than in the writings of St Francis *The Life and Legends of Saint Francis* Candide Chalippe,

narrative and a close annotated examination of the historical sources about Francis Taken together the narrative and the survey of the sources provide a much needed fresh perspective on this iconic figure As I have worked on this biography Thompson writes my respect for Francis and his vision has increased and I hope that this book will speak to modern people believers and unbelievers alike and that the Francis I have come to know will have something to say to them today
