Casanova's Life & Times David John Thompson, 2025-08-05 This is both the life of Giacomo Casanova and a chronicle of eighteenth century Europe Giacomo Casanova 1725-1798 was born the son of a moderately poor acting family at a time when the stage carried enormous social stigma Yet in his own lifetime he achieved celebrity across Europe rubbing shoulders with numerous of the eighteenth century's greatest men and women from Frederick the Great to Catherine the Great from Voltaire to Albrecht von Haller from Pope Benedict XIV to Pope Clement XIII It was a fame that had little to do with his romantic exploits This was to come later following upon the posthumous publication of his magnificent History of My Life An adventurer and a man of learning his was an extraordinary life whose story was intertwined with the story of eighteenth century Europe To try

to understand this fascinating character we need also to try to understand the period in which he lived This is the aim of Casanova's Life and Times Expect No help: the life and times of Jumpin` Jack Flash Cesspool Jones,2013-05-21 Expect No Help is a non fiction novel that depicts America from the 1960 s up to now through the eyes of someone who was there and still is sometimes It shows most anyone who reads this how to grow up author's point of view even coming up in the 60 s and 70 s Much change happened from then till now with the word change now reduced to a 4 letter word along with the word power This novel is all about the future of this country at the grass roots level That means old school America ain't goin anywhere soon if at all However this novel looks at new school America with only slight skepticism only for the fact change makes the world go round Without change the world turns stagnant However once again What do you want to change into This novel does a pretty good job in trying to decipher that question leaving no stone unturned with an open minded and also a one sided opinion That is not easy to do There is absolutely no political correctness what so ever in this novel and could be considered toxic to people with narrow minded beliefs This novel don't care but with tact It is written somewhat off of the streets in a language that anyone from a stoner to a P H D can understand The very first part of the book vaguely states what the novel is all about and if that's gonna be a rough ride for you wear a helmet while reading it or find something else to do
