*Essays in Honour of Michael Bliss* Elsbeth A. Heaman, Alison Li, Shelley McKellar, 2008-03-22 A leading public intellectual Michael Bliss has written prolifically for academic and popular audiences and taught at the University of Toronto from 1968 to 2006 Among his publications are a comprehensive history of the discovery of insulin and major biographies of Frederick Banting William Osler and Harvey Cushing The essays in this volume each written by former doctoral students of Bliss with a foreword by John Fraser and Elizabeth McCallum do honour to his influence and at the same time reflect upon the writing of history in Canada at the end of the twentieth century The opening essays discuss Bliss s career his impact on the study of history and his academic record Bliss himself contributes an autobiographical essay that strengthens our understanding of the business of scholarship teaching and writing In the second section the contributors interrogate public mythmaking in the relationship between politics and business in eighteenth nineteenth and twentieth century Canada Further sections investigate the relationship between fatherhood religion and historiography as well as topics in health and public policy A final section on Medical Science and Practice deals with subjects ranging from early endocrinology lobotomy the mechanical heart and medical biography as a genre Going beyond a collection of dedicatory essays this volume explores the wider subject of writing social and medical history in Canada in the late twentieth century [The Life and Times of a Black Southern Doctor](#) Gwendolyn Hoff, 2012-03-29 The Life and Times of a Black Southern Doctor or LATOBSD as it will be referred to from here on in this condensation is a saga of life in the panhandle of Florida from 1896 to 1956 and a bit beyond Doctor Alpha Omega Campbell was an actual practicing physician in and around Tallahassee between 1913 and 1956 In 1956 at the age of 67 A O Campbell was convicted of manslaughter in the death of a Jacksonville mother of two after allegedly performing a criminal abortion that eventually results in her dying On in years and eyeing semi retirement he is sent Floridas hardest prison for four of his remaining years LATOBSD begins 1 years into the doctors incarceration at the time of his dear wifes funeral Maggie Lou Campbell did not do well with her husband hundreds of miles away She has been watching their empire of wealth and real estate crumble around her spurred on by numerous jealous conspirators who position themselves like sharks around a school of hapless fish It is from that point backward I transport the reader back in time before Maggie Lou was conceived by her multi racial mother with the help of one of Leon Countys most respected grocers and back when Alfrey A O Campbells family was beholden to a deep rooted plantation owner some called it slavery in the post emancipation south From this time forward I undertake the task of fictionalizing a seemingly unmeasurable share of people and events Most of this recounting of the doctors affairs is true to history used as a guidepost for the seventy some year story line There are many people amongst the ensemble that closely resemble many of those that truly did exist back when the delineation between black and white was beginning to show signs of gray Yet as close as the Campbells pushed that line towards equality a stronger force bludgeoned them back where they belonged As tempting as it was to make this biographical I could not Case

in point the considerable liberty taken especially as it applies to the more famous characters I have inserted in this moderately loosely tied account of what really happened If you think historical fiction is tough staying true to events multiply that by two and you have a biography there will always be someone who says That isnt the way it happened So as we traipse our way into the wonderful world of fiction Consider this list of names and events In order of their appearance I The Spanish American War II 25th President William McKinley III The Galveston Hurricane 1900 IV 26th President Theodore Roosevelt V George Eastman sister Judith VI Suffragette Emmeline Pankhurst VII The San Francisco Earthquake 1906 VIII Playwright Sir James Barrie IX World War I X Mary Pickford Early Hollywood XI The Pacific Clipper Flying Boats PanAm XII Roswell New Mexico Area 51 Whoowah Nellie What does any of this have to do with a black Southern doctor you ask That is what makes history fun even if much of this stuff did not come down quite the way I write it I promise to dedicate the 20th chapter to the process of sorting the beef from the bull the inconsistencies you all will gladly point out while reading along as the decades peel away The bottom line is that LATOBSD is not just about the doctor
