calamitous philosopher is now to be judged as he appears in the serene atmosphere of history which need it be said he infinitely despised The crowd the common herd the multitude which he also despised has recorded its verdict with its usual generosity to the dead and that verdict happens to be an ample revenge It has dismissed Nietzsche's ideas in order to praise his images It has conceded him in literature a brilliant success and has treated his philosophy as fundamental nonsense of the sort that calls for no response except a shrug of the shoulders The immoralist who sought to shatter all the Tables of all the Laws and to achieve a Transvaluation of all Values ends by filling a page in *Die Ernte* and other Anthologies for the Young And in certifying his style to be that of a rare and real master the crowd has followed a true instinct More than Schopenhauer more even than Goethe Nietzsche is accounted by the critics of his country to have taught German prose to speak as Falstaff says like a man o' this world The ungainly sentences many jointed as a dragon's tail became short definite arrowy We must Mediterraneanise German music he wrote to Peter Gast and in fact he did indisputably Mediterraneanise the style of German literature About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
