The Lincoln Hunters

Edwin Gustavus Hunter

The Lincoln Hunters:

The Lincoln Hunters Wilson Tucker, 1961 **The Mythic Mr. Lincoln** Jeff O'Bryant, 2021-09-24 Honest Abe The rail splitter The Great Emancipator Old Abe These are familiar monikers of Abraham Lincoln They describe a man who has influenced the lives of everyday people as well as notables like Leo Tolstoy Marilyn Monroe and Winston Churchill But there is also a multitude of fictional Lincolns almost as familiar as the original time traveler android monster hunter This book explores Lincoln's evolution from martyred president to cultural icon and the struggle between the Lincoln of history and his fictional progeny He has been Simpsonized by Matt Groening charmed by Shirley Temple and emulated by the Lone Ranger Devotees have attempted to clone him or to raise him from the dead Lincoln's image and memory have been invoked to fight communism mock a sitting president and sell products Lincoln has even been portrayed as the greatest example of goodness humanity has to offer In short Lincoln is the essential American myth **Wilson Tucker's Gateway Omnibus**, 2015

The Descendants of Dr. James Hunter, who Came to Canada from Yorkshire, England, in the Year 1822 Edwin Gustavus Hunter, 1925 James Hunter 1795-1875 married twice once in England and immigrated in 1822 from England to Niagara Ontario later moving to Smithville Ontario He was one of the signers of the 1837 Declaration of Independence was imprisoned as a result and after his release immigrated to Hartland Niagara County New York Descendants lived in Ontario and elsewhere Many descendants immigrated to New York Michigan Illinois and elsewhere in the United States *The Guerrilla Hunters* Brian D. McKnight, Barton A. Myers, 2017-04-03 Throughout the Civil War irregular warfare including the use of hit and run assaults ambushes and raiding tactics thrived in localized guerrilla fights within the Border States and the Confederate South The Guerrilla Hunters offers a comprehensive overview of the tactics motives and actors in these conflicts from the Confederate authorized Partisan Rangers a military force directed to spy on harass and steal from Union forces to men like John Gatewood who deserted the Confederate army in favor of targeting Tennessee civilians believed to be in sympathy with the Union With a foreword by Kenneth W Noe and an afterword by Daniel E Sutherland this collection represents an impressive array of the foremost experts on guerrilla fighting in the Civil War Providing new interpretations of this long misconstrued aspect of warfare these scholars go beyond the conventional battlefield to examine the stories of irregular combatants across all theaters of the Civil War bringing geographic breadth to what is often treated as local and regional history The Guerrilla Hunters shows that instances of unorthodox combat once thought isolated and infrequent were numerous and many clashes defy easy categorization Novel methodological approaches and a staggering diversity of research and topics allow this volume to support multiple areas for debate and discovery within this growing field of Civil War scholarship *Man-hunters of the Old West* Robert K. DeArment, 2018 Noted western historian Robert K DeArment recounts the remarkable careers of eight men Pat Garrett John Hughes Harry Love Harry Morse Frank Norfleet Bass Reeves Granville Stuart and Tom Tobin who pursued notorious criminals **Man-Hunters of the Old West, Volume 2** Robert K.

DeArment,2018-02-15 Until the early twentieth century life in the American West could be rough and sometimes vicious Those who brought thieves and murderers to justice at times had to employ tactics as ruthless as their prey In this follow up to his first collection of biographies of the West s most recognized man hunters noted western historian Robert K DeArment recounts the remarkable careers of eight men Pat Garrett John Hughes Harry Love Harry Morse Frank Norfleet Bass Reeves Granville Stuart and Tom Tobin who pursued notorious criminals Volume 2 of Man Hunters of the Old West shows that limited resources and dire conditions often made extralegal violence necessary for survival Harry Love the famous killer of California bandito Joaquin Murrieta and Tom Tobin who ended the murders of the Espinosa gang in Colorado tracked their quarries to remote hideouts shot them and cut off their heads to prove they had been eliminated Felon trackers like the vigilante organizations that preceded them on occasion administered summary justice the on the spot hanging of their captured prey especially if they believed the established court system was not working Some of the man hunters in DeArment s accounts were freelance scouts and trackers others were career officers of the law At least one Frank Norfleet was a private citizen turned dedicated nemesis of con artists Love Stuart and Morse began life as easterners who made their way West All the others were midwesterners or far westerners Some of these man hunters wrote about their adventures and were written about in turn Garrett s account of his hunt for Billy the Kid remains a best seller for example and both Reeves and Hughes have been credited for inspiring the Lone Ranger of TV and movie fame DeArment discusses constant threats to the man hunters survival the federal government s undependable presence and extralegal violence as major themes in western law enforcement In recounting these eight men s adventures this volume reveals the forces that made brutality seem commonplace

The Word Hunters Nick Earls,2013 From award winning author Nick Earls and illustrator Terry Whidborne comes the second book in a mysterious action packed series for the word nerd in us all In their previous adventure Lexi and Al thought they had seen it all time travel epic battles ancient cities on the point of collapse the invention of the telephone and vomiting rats But nothing could prepare them for the realisation that their missing grandfather is a word hunter too and has been lost in the past Only Lexi and Al can save him But how do you find someone in 3 000 years of history With more battles more action and more words these hunters are discovering history like never before as they search for their grandfather the lost hunter
