Sister To The Rain:

Chipmunk-Girl: Thorpe E. Wright V, 2016-07-28 About Chipmunk Girl Last of the Mole People Many ancient cultures around the world believe that our forefathers came from the stars These include the Aztecs Mayans Egyptians Hindus and the Chinese to name but a few Even in the Middle East the Syrians talk of an alien race known as the Epoch Several Native American tribes believe that man did not descend from the stars but arose from the earth The American Indians tell of races such as the ant people lizard people and the Sasquatch Bigfoot living among humans Lesser known is the legend of the mole people not referring to the homeless people living in the sewers of New York City The Native Americans tell tales of man sized squirrels and of talking chipmunks Go online and you may come across an article written on August 1 2009 in the Weekly World News It tells of a story of mole people living twenty miles beneath the earth twenty miles Were not talking sewers here A tunnel was discovered in Washington State Apparently NASA discovered the tunnel and is doing a cover up President Bush handled the situation though communication was very difficult with the race of mole people for they can only speak an old Navajo dialect Chipmunk Girl Last of the Mole People is a story of the mole people exiling two of their own to the surface world and the sole survivor their daughter Whether this book is just another fun filled fantasy or a story based on actual real life events Ill let you decide But let me ask you this question what if the legends and stories are true what if Thorpe E Wright V author and illustrator tells the Legend of Chipmunk Girl Last of the Mole People **Irrational Dreams - a Comedy Soap Opera**

Wylie Reed Richardson, 2006-02 Irrational Dreams is one of the few comedic soap operas available in print This play concerning the movie industry in Los Angeles was produced in an off off Broadway workshop by the Rising Sun Performance Company in New York City in 2004 The play s thirty three scenes use the plot devices of the traditional soap blackmail adultery turbulent careers budding romance etc only with a satirical humorous tone as opposed to the melodrama of the TV soap opera Note that this is a reading edition of Irrational Dreams a theatrical version for professional use is also available on lulu com 183850 Drowning in a Mother's Womb Ciara Lynette Anderson, 2009-01-15 Drowning in a Mother s Womb

approaches the story of a tumultuous childhood of a young girl in her own words emotions and feelings As she relives the horrific incidents of violent abuse you will empathize with her every struggle and hang on her every word spoken in the language and culture of her experience The most vital messages from her story are that regardless of the circumstances and situations that this young girl faced having lived a most colorful life by the age of 13 she found herself drowning in her own resentment for a mother who never felt any remorse for her negligent parenting Therefore the girl continued to press toward her future grasping at any and every place for help When she least expected it her broken spirit gave way to what felt like the walls of her mind closing in on her and she found herself in the psychiatric ward of a local hospital Ciara allows the reader to identify with a child s need to be nurtured and supported even when the nurturer remains absent and unsupportive

How a Mountain Was Made Greg Sarris, 2017-10-10 Inspired by Native American creation tales these sixteen

interconnected stories tell the origin of California's Sonoma Mountain. In the tradition of Calvino's Italian Folktales, Greg Sarris, author of the award-winning novel *Grand Avenue*, turns his attention to his ancestral homeland of Sonoma Mountain in Northern California. In sixteen interconnected original stories, the twin crows, Question Woman and Answer Woman, take us through a world unlike yet oddly reminiscent of our own, one which blooms bright with poppies, lupines, and clover; one in which Water Bug kidnaps an entire creek; in which songs have the power to enchant; in which Rain is a beautiful woman who keeps people's memories in stones. Inspired by traditional Coast Miwok and Southern Pomo creation tales, these stories are timeless in their wisdom and beauty, and because of this timelessness, their messages are vital and immediate. The figures in these stories ponder the meaning of leadership of their place within the landscape and their community. In these stories, we find a model for how we can all come home again. At once timeless and contemporary, *How a Mountain Was Made* is equally at home in modern letters as the ancient story cycle. Sarris infuses his stories with a prose stylist's creativity and inventiveness, moving American Indian literature in an emergent direction. This edition features a reader's guide that provides thoughtful jumping-off points for discussion.

Praise for *How a Mountain Was Made*: These are charming and wise stories simply told to be enjoyed by young and old alike; stories need us if they are to come forth and have life too. *Kirkus Reviews*. Stunning. Neither an arid anthropological text nor another pseudo-Indian as told to fabrication. Instead, Sarris has breathed new life into these ancient Northern California tales and legends, lending them a subtle, light-hearted voice and vision. *Scott Lankford, Los Angeles Review of Books*. With the help of some animal friends, Kibu, a young member of the East African Masai tribe, decides to prove that he is not too small to be a mighty lion hunter. *Rain's Theory* 2 KC Mills, 2015-12-22. After finally finding her heart's keeper and trying to make up for lost time, things go terribly wrong for Rain when Theory lands on the wrong end of a bad situation. Rain has to pull it together and be the strength that Theory can't be for himself. With nothing left to chance, Theory has to hit the streets to find out who had an ax to grind with him. With Frank by his side, they are on a mission to get revenge, and to make things worse, he has to find time to fix what Lani and her father have screwed up in Rain's life. Just when Frank and Diamond are figuring things out, Desitny shows up and gives Frank a reason to rethink his decision. Family can make you or break you, and Rain quickly finds out that she can't hide from hers. Adopted or not, she's not exempt from family drama, and her sister Charlotte is the definition of trouble. Will the crew survive and make it to the next stage in their lives, or will they fall victim to the choices that they've made along the way?
