The OSAP Prevention Pipeline ,2000 **Fifteen Lanes** S.J. Laidlaw,2016-04-05 Noor has lived all of her fourteen years in the fifteen lanes of Mumbai s red light district Born into a brothel she is destined for the same fate as her mother a desperate life trapped in the city s sex trade She must act soon to have any chance of escaping this grim future Across the sprawling city fifteen year old Grace enjoys a life of privilege Her father the CEO of one of India s largest international banks has brought his family to Mumbai where they live in unparalleled luxury But Grace s seemingly perfect life is shattered when she becomes a victim of a cruel online attack When their paths intersect Noor and Grace will be changed forever Can two girls living in vastly different worlds find a common path Award winning author S J Laidlaw masterfully weaves together their stories in a way that resonates across class and culture Fifteen Lanes boldly explores the ties that bind us to places and people and shows us that the strongest of bonds can be forged when hope is all but lost **The Prevention Pipeline** ,1992

Remapping Second-Wave Feminism Janet Allured,2016-11-01 Scholars of second wave feminism often center their research on northern thought and political activity and usually overlook the vibrant pockets of activism that existed elsewhere In Remapping Second Wave Feminism Janet Allured attempts to reshape the national narrative by focusing on the grassroots women s movement in the South particularly in Louisiana This book delves into unexplored origins of the feminist movement While acknowledging the ways that the fight for African American civil rights produced the women s liberation movement in the South and subsequently in the North Allured also locates other wellsprings of the movement that were particularly important to southern change seekers especially preexisting women s organizations such as the League of Women Voters and the YWCA Also for many southern feminists being part of a faith tradition that emphasized social justice reform is what ultimately propelled them into working for gender equality Allured highlights key figures in Louisiana divisions based on regional sexual and ideological differences access to abortion lawsuits that had national implications that emanated from southern women and the fight against sexual assault and domestic violence Through detailed archival and oral history research she has forged a new path making this a foundational work for the field Remapping Second Wave

Feminism will amend how we reflexively view feminism as a northern phenomenon giving proper due to the southern contribution
