But the moment we lock eyes all those old feelings come rushing back in a way I'm completely unprepared for and instead of holding onto my hurt I find myself giving him another chance. When I push back against writing the article my asshole editor threatens to get what he wants one way or another. The only way I can protect Jack is to spin the story myself. Will Jack be able to forgive me when I tell him what I've done? Jack, a reporter and an extremely private quarterback shouldn't mix but she's not just any reporter she's my ex and the only woman I've ever loved. I refuse to lose her again. Until I'm blindsided by an article I never saw coming and suddenly I question if any of it was real or if she was just using me for a story the entire time.
