

The background of the book cover is a close-up photograph of a chessboard. The squares are a light cream color and a dark charcoal gray, arranged in a standard checkerboard pattern. In the foreground, a black king piece is prominently displayed on a light square. To its left, a white king piece is partially visible. In the upper right, a black pawn and a white pawn are also visible. The lighting creates soft shadows, giving the pieces a three-dimensional appearance.
