Six Renaissance Tragedies:

Six Renaissance Tragedies Colin Gibson, 1997-10-15 Skipping the works of Shakespeare and Johnson which are readily accessible the six plays discussed here have been chosen to represent a remarkable flowering of tragic dramatic writing during one of the most prolific periods of theatrical activity that known as the English Renaissance from about 1590 to 1640 each play was a major work for its author a major drama for the period and still significant today **Six Renaissance**

Tragedies Colin Gibson, 1997-08-01 A useful student edition which contains modernized texts of six classic plays and which takes full account of recent scholarship Detailed introductory and explanatory notes deal with authorship textual and performance history sources obscurities of meaning unfamiliar allusions and points of theatrical interest *The Risk Theatre Model of Tragedy* Edwin Wong, 2019-02-04 WHEN YOU LEAST EXPECT IT BIRNAM WOOD COMES TO

DUNSINANE HILL *The Risk Theatre Model of Tragedy* presents a profoundly original theory of drama that speaks to modern audiences living in an increasingly volatile world driven by artificial intelligence gene editing globalization and mutual assured destruction ideologies Tragedy according to risk theatre puts us face to face with the unexpected implications of our actions by simulating the profound impact of highly improbable events In this book classicist Edwin Wong shows how tragedy imitates reality heroes by taking inordinate risks trigger devastating low probability high consequence outcomes Such a theatre forces audiences to ask themselves a most timely question what happens when the perfect bet goes wrong Not only does Wong reinterpret classic tragedies from Aeschylus to O'Neill through the risk theatre lens he also invites dramatists to create tomorrow's theatre As the world becomes increasingly unpredictable the most compelling dramas will be high stakes tragedies that dramatize the unintended consequences of today's risk takers who are taking us past the point of no return

Revenge Tragedy Stevie Simkin, 2017-03-14 Revenge has been an issue in all societies from ancient times to the present day In western culture the revenge plot has been one of the linchpins of narrative structure it is central to much Greek tragedy and was immensely popular in Elizabethan and Jacobean theatres In this volume Stevie Simkin has collected essays on five plays which are representative of this genre *The Spanish Tragedy* *The Revenger's Tragedy* *The Changeling* *The White Devil* and *Tis Pity She's a Whore* These plays are a rich source of ideas about Renaissance society and politics recurrent issues include sexuality the complex relations of gender and power and the relationship between the individual and the state The collection as a whole demonstrates a variety of recent critical approaches to the genre including feminist psychoanalytic new historicist and cultural materialist viewpoints inspiring students to revisit these plays and to engage directly with the politics of the past and present and the ways in which they interrelate [Mythologies of the Prophet Muhammad in Early Modern English Culture](#) Matthew Dimmock, 2013-05-31 The figure of Mahomet was widely known in early modern England A grotesque version of the Prophet Muhammad Mahomet was a product of vilification caricature and misinformation placed at the centre of Christian conceptions of Islam In *Mythologies of the Prophet Muhammad in Early Modern English Culture*

Matthew Dimmock draws on an eclectic range of early modern sources literary historical visual to explore the nature and use of Mahomet in a period bounded by the beginnings of print and the early Enlightenment This fabricated figure and his spurious biography were endlessly recycled but also challenged and vindicated and the tales the English told about him offer new perspectives on their sense of the world its geographies and religions near and far and their place within it This book explores the role played by Mahomet in the making of Englishness and reflects on what this might reveal about England s present circumstances

Ottomiller's Index to Plays in Collections Denise L. Montgomery,2011-08-11 The standard location tool for full length plays published in collections and anthologies in England and the United States since the beginning of the 20th century Ottomiller s Index to Plays in Collections has undergone seven previous editions the latest in 1988 covering 1900 through 1985 In this new edition Denise Montgomery has expanded the volume to include collections published in the entire English speaking world through 2000 and beyond This new volume lists more than 3 500 new plays and 2 000 new authors as well as birth and or death information for hundreds of authors Representing the largest expansion between editions this updated volume is a valuable resource for libraries worldwide

Ottomiller's Index to Plays in Collections John Henry Ottomiller,Denise L. Montgomery,2011-08-11 The standard location tool for full length plays published in collections and anthologies in England and the United States since the beginning of the 20th century Ottomiller s Index to Plays in Collections has undergone seven previous editions the latest in 1988 covering 1900 through 1985 In this new edition Denise Montgomery has expanded the volume to include collections published in the entire English speaking world through 2000 and beyond This new volume lists more than 3 500 new plays and 2 000 new authors as well as birth and or death information for hundreds of authors Representing the largest expansion between editions this updated volume is a valuable resource for libraries worldwide

English Literature Martin Stephen,2013-10-30 Now appearing in its third edition Martin Stephen s classic text and course companion to English literature has been thoroughly revised and updated taking account of the changes which have occurred in the subject since publication of the second edition

Doing Kyd Nicoleta Cinpoes,2018-07-30 Doing Kyd reads Thomas Kyd s The Spanish Tragedy the box office and print success of its time as the play that established the revenge genre in England and served as a pattern and precedent for the golden generation of early modern playwrights from Marlowe and Shakespeare to Middleton Webster and Ford Interdisciplinary in approach and accessible in style this collection is crucial in two respects firstly it has a wide spectrum addressing readers with interests in the play from its early impact as the first sixteenth century revenge tragedy to its afterlife in print on the stage in screen adaptation and bibliographical studies Secondly the collection appears at a time when Kyd and his play are back in the spotlight through renewed critical interest several new stage productions between 2009 and 2013 and its firm presence in higher education curriculum for English and drama

Milton as Multilingual: Selected Essays, 1982-2004 John K. Hale,2007-01-01 First published by Otago University Press in 2005 The book brings together seventeen essays by John Hale

on topics ranging from Milton's verse paraphrase of Psalm 114 in 1624 at the age of 15 to his rearrangement of *Paradise Lost* along arguably Virgilian lines in 1674 the year of his death Fourteen of the essays were published previously from 1982-2003 in geographically scattered journals some of them not readily accessible Three new essays on the theological treatise *De Doctrina Christiana* are included and together with an essay of 2003 they apply the subject of multilingualism to that work The essays are grouped into five sections Composing Language Arts Self Understanding *Paradise Lost* and its Early Reception and *De Doctrina Christiana* and Language Issues Brief preambles or headings are added to each section and an Afterword follows each chapter This five part structure and the new preambles and Afterwords invest the volume with a rationale shaping it into a book in its own right *Thomas Middleton and Early Modern Textual Culture* Gary Taylor, John Lavagnino, MacDonald P. Jackson, Valerie Wayne, John Jowett, 2007-11-22 A comprehensive companion to *The Collected Works of Thomas Middleton* providing detailed introductions to and full editorial apparatus for the works themselves as well as a wealth of information about Middleton's historical and literary context **The Spanish Tragedy** Thomas Rist, 2016-10-20 The *Spanish Tragedy* was the first revenge tragedy on the English Renaissance stage but for its influence major dramas including *The Revenger's Tragedy*, *The Duchess of Malfi* and even *Hamlet* would not exist as they do It is thus a key text for the study of Renaissance drama and normally appears in introductory undergraduate courses on Renaissance drama and Shakespeare Despite its initial smash hit status after the closing of the theatres in 1642 the play was only once performed in Britain before its gradual revival in the 20th century Following its first professional performance in 1973 the play has come to be recognised as a Renaissance classic receiving frequent performance This volume will bring together its most insightful and influential modern scholars to produce an edition read both by experts in the field and lovers of Thomas Kyd's drama

A Cultural History of Tragedy in the Age of Empire Michael Gamer, Diego Saglia, 2021-05-20 This volume traces a path across the metamorphoses of tragedy and the tragic in Western cultures during the bourgeois age of nations revolutions and empires roughly delimited by the French Revolution and the First World War Its starting point is the recognition that tragedy did not die with Romanticism as George Steiner famously argued over half a century ago but rather mutated and dispersed converging into a variety of unstable productive forms both on the stage and off In turn the tragic as a concept and mode transformed itself under the pressure of multiple social historical and political ideological phenomena This volume therefore deploys a narrative centred on hybridization extending across media genres demographics faiths both religious and secular and national boundaries The essays also tell a story of how tragedy and the tragic offered multiple means of capturing the increasingly fragmented perception of reality and history that emerged in the 19th century Each chapter takes a different theme as its focus forms and media sites of performance and circulation communities of production and consumption philosophy and social theory religion ritual and myth politics of city and nation society and family and gender and sexuality *Women, Rhetoric, and Drama in Early Modern Italy* Alexandra Collier, 2017-07-06 Cover Half Title Title Page
