An Archaeology of Sympathy James Chandler, 2024-05-31 In the middle of the eighteenth century something new made itself felt in European culture a tone or style that came to be called the sentimental The sentimental mode went on to shape not just literature art music and cinema but people s very structures of feeling their ways of doing and being In what is sure to become a critical classic An Archaeology of Sympathy challenges Sergei Eisenstein s influential account of Dickens and early American film by tracing the unexpected history and intricate strategies of the sentimental mode and showing how it has been reimagined over the past three centuries James Chandler begins with a look at Frank Capra and the Capraesque in American public life then digs back to the eighteenth century to examine the sentimental substratum underlying Dickens and early cinema alike With this surprising move he reveals how literary spectatorship in the eighteenth century anticipated classic Hollywood films such as Capra s It Happened One Night Mr Deeds Goes to Town and It s a Wonderful Life Chandler then moves forward to romanticism and modernism two cultural movements often seen as defined by their rejection of the sentimental examining how authors like Mary Shelley Joseph Conrad James Joyce and Virginia Woolf actually engaged with sentimental forms and themes in ways that left a mark on their work Reaching from Laurence Sterne to the Coen brothers An Archaeology of Sympathy casts new light on the long eighteenth century and the novelistic forebears of cinema and our modern world

Commons BY NC ND open access license Beckett and nothing invites its readership to understand the complex ways in which the Beckett canon both suggests and resists turning nothing into something by looking at specific sometimes almost invisible ways in which little nothings pervade the Beckett canon The volume has two main functions on the one hand it looks at nothing not only as a content but also a set of rhetorical strategies to reconsider afresh classic Beckett problems such as Irishness silence value marginality politics and the relationships between modernism and postmodernism and absence and presence On the other it focuses on nothing in order to assess how the Beckett oeuvre can help us rethink contemporary preoccupations with materialism neurology sculpture music and television The volume is a scholarly intervention in the fields of Beckett studies which offers its chapters as case studies to use in the classroom It will prove of interest to advanced students and scholars in English French Comparative Literature Drama Visual Studies Philosophy Music Cinema and TV studies

In Capra's Shadow Ian Scott, 2014-10-17 Because screenwriter Robert Riskin spent most of his career collaborating with legendary Hollywood director Frank Capra Riskin's own unique contributions to film have been largely overshadowed With five Academy Award nominations to his credit for the monumental films *Lady for a Day* *Mr Deeds Goes to Town* *You Can't Take It with You* *Here Comes the Groom* and *It Happened One Night* for which he won the Oscar Riskin is often imitated but rarely equaled In *Capra's Shadow: The Life and Career of Screenwriter Robert Riskin* is the first detailed critical examination of the Hollywood pioneer's life and work In addition to being one of the great screenwriters of the classic Hollywood era Riskin was also a producer and director founding his own film company and playing a crucial role in the foundation of the Screen Writers Guild During World War II Riskin was one of the major forces behind propaganda filmmaking He worked in the Office of War Information and oversaw the distribution and later production of films and documentaries in foreign theaters He was interested in showing the rest of the world more than just an idealized version of America he looked for films that emphasized the spiritual and cultural vibrancy within the U S making charity faith and generosity of spirit his propaganda tools His efforts also laid the groundwork for a system of distribution channels that would result in the dominance of American cinema in Europe in the postwar years Riskin's postwar work included his production of the 1947 film *Magic Town* the tale of a marketing executive who discovers the perfect American small town and uses it for polling What Riskin created onscreen is not simply a community stuck in an antiquarian past rather the town of Grandview observes its own traditions while at the same time confronting the possibilities of the modern world and the challenges of postwar America Author Ian Scott provides a unique perspective on Riskin and the ways in which his brilliant pithy style was realized in Capra's enduring films Riskin's impact on cinema extended far beyond these films as he helped spread Hollywood cinema abroad and articulated his vision of a changing America

The Cinema of Preston Sturges Alessandro Pirolini, 2014-01-10 Most published works on writer director Preston Sturges 1898 1959 have focused on the elements that made him a symbol of classic Hollywood comedy or his contributions to the genre via such 1940s classics as The Lady Eve Sullivan's Travels and Miracle of Morgan's Creek In contrast this critical study asserts that there are enough unexplained incongruities fragmentations and contradictions in Sturges output to demand a re evaluation of his place in film history as a predecessor and perhaps progenitor of later postmodern filmmakers Four appendices offer a generous selection of previously unavailable material including an exclusive interview with the director's fourth wife Sandy Sturges

Hollywood's White House Peter C. Rollins, John E. O'Connor, 2005-02-01 From action flicks to biopics to SNL skits how presidents are portrayed on screen An interesting study of the real presidency and the reel presidency USA Today Magazine Winner of the Popular Culture Association's Ray and Pat Browne Book Award Whether serious or satirical biographical or fictional the ways that US presidents are depicted in popular culture reveal much about us as a nation The contributors to Hollywood's White House examine the historical accuracy of presidential depictions

illuminate their influence and uncover how they reflect the concerns of their times and the social and political visions of the filmmakers With reflections on portrayals of Washington Adams Lincoln FDR Nixon and more this volume which includes a comprehensive filmography and a bibliography is ideal for both historians and film enthusiasts An engaging collection Robert Brent Toplin author of *Reel History In Defense of Hollywood* **Songs of Innocence and Experience** Magdalena

Grabias-Zurek,2013-07-26 *Songs of Innocence and Experience* Romance in the Cinema of Frank Capra is a study of the director's chosen movies from the perspective of three types of comedies paradisaical purgatorial and infernal as assigned by Dante in his *Divine Comedy* Magdalena Grabias views Capra's films in two broader categories of innocence and experience where innocence represents Dantean paradisaical level and experience combines the levels of purgatory and inferno Such a division constitutes the means to interpret Capra's filmic universe and to describe the ever evolving directorial vision of Frank Capra The main purpose of the book is to demonstrate how in the light of the theory of literary romance as presented by Northrop Frye in his seminal works concerning the subject the films of Frank Capra fit into the genre of romance Romantic elements in Frank Capra's movies can be found in both innocence and experience categories and hence consequently in his paradisaical purgatorial and infernal comedies However in both categories and all three comedy types the romantic reality of each examined film is structured and developed in a different manner The book offers an insight into Frank Capra's films and the complex process of creating his multidimensional romantic universe within them **Frank**

Capra's Eastern Horizons Elizabeth Rawitsch,2014-10-16 Frank Capra has long had a reputation as being the quintessential American director the man who perfectly captured the identity and core values of the United States with a string of classic films in the 1930s and 40s including *It Happened One Night* *Mr Smith Goes to Washington* and *It's a Wonderful Life* However as Elizabeth Rawitsch argues Capra's construction of national identity did not occur within an exclusively national context She points out that many of his films are actually set in or include sequences set in China Latin America the Philippines and the South Seas Featuring in depth textual analysis supported by original archival research Frank Capra's *Eastern Horizons* explains that Capra's view of what constituted America changed over time extending its boundaries to embrace countries often far from the United States Complicating Edward Said's theory of Orientalism as a strict binary in which the West constructs the East as an inferior other it demonstrates that East and West often intermingle in films such as *The Bitter Tea of General Yen* and in Capra's orientation documentaries for World War II American servicemen Capra imagined a kind of global community albeit one with heavy undertones of British and American imperialism Investigating shifts in what Capra's America has meant over time both to Capra and to those who have watched and studied his films this innovative book offers a startlingly fresh perspective on one of the most iconic figures in American film history *Peasants, Populism and Postmodernism* Dr Tom Brass,2013-02-01 Tracing the way in which the agrarian myth has emerged and re emerged over the past century in ideology shared by populism postmodernism and the political right the argument in this

book is that at the centre of this discourse about the cultural identity of otherness difference lies the concept of and innate peasant ness In a variety of contextually specific discursive forms the old populism of the 1890s and the nationalism and fascism in Europe America and Asia during the 1920s and 1930s were all informed by the agrarian myth The postmodern new populism and the new right both of which emerged after the 1960s and consolidated during the 1990s are also structured discursively by the agrarian myth and with it the ideological reaffirmation of peasant essentialism

The Annotated Memoirs of Ulysses S. Grant (The Annotated Books) Ulysses S. Grant,2018-12-04 With kaleidoscopic trenchant path breaking insights Elizabeth D Samet has produced the most ambitious edition of Ulysses Grant s Memoirs yet published One hundred and thirty three years after its 1885 publication by Mark Twain Elizabeth Samet has annotated this lavish edition of Grant s landmark memoir and expands the Civil War backdrop against which this monumental American life is typically read No previous edition combines such a sweep of historical and cultural contexts with the literary authority that Samet an English professor obsessed with Grant for decades brings to the table Whether exploring novels Grant read at West Point or presenting majestic images culled from archives Samet curates a richly annotated highly collectible edition that will fascinate Civil War buffs The edition also breaks new ground in its attack on the Lost Cause revisionism that still distorts our national conversation about the legacy of the Civil War Never has Grant s transformation from tanner s son to military leader been more insightfully and passionately explained than in this timely edition appearing on the 150th anniversary of Grant s 1868 presidential election
